TEASE!

THIS · MONTH · IN · CLUB

Having been rather unbalanced lately — well, a bit more unbalanced than usual — I nipped along to the Club shrink Sigmund Fraud for a quick therapy session. He strapped me in the chair and started to therap.

"Zo, vy do you feel zat zerapy iz necezzary at zis time, Mr Ed?" he enquired politely.

"It's not zerapy, it's therapy," I replied.

"Zo, you haff ze zpeech defect, yez?"

"No I haven't. You have, and you're sacked."

"Und ze aggression problem, I zink!"

"Look, fuck off, you stupid Kraut, and let me out of this sodding chair."

"Und ze xenophobia and un irrational fear of confinement. Vat do you remember about your father?"

"He was an aggressive German bondage freak."

"Zon! You haff come back to me. After all zees years!"

"Can we have fish fingers for tea, Dad?"

The rest of the session must remain strictly private for professional reasons. Suffice it to say that I am now completely straightened out, socially well-adjusted, in control of both my personal and professional lives, drinking only moderately, smoking very occasionally, and completely free of convulsive or anti-social behaviour. I am on a jelly baby and fresh spinach diet, though for protein and enjoyment I sometimes roast baby gerbils. I am engaged to be married to a clematis, and the ceremony will take place in Madame JoJo's Transvestite Nightclub and Pizza Parlour. Dress formal — no flowers, please. — *The Ed* ♣

COME AGAIN

the girl you've asked to see

Ur-huh-huh-huh-huh! Goodness gracious, now then guys and gals, a letter from Mark of Maidenhead.

Dear Jim,

Can you fix it for me to spend a day doing aerobics with Pauline from Vol 20 No 5?

Well, as it happens, Mark, Pauline is rather busy right now replying to all the letters Club readers sent her after she appeared last month. But we persuaded her to join us for a stretch again this ish. A pointless exercise? Not with pert tits like that!

And now a letter from 72-year-old Bob of Nantwich.

Dear Jim,

Fuck me, the arse on that Pauline is great. Can you fix it for me to have a closer look at those chewable cheeks?

Well, now then, anything for our poor senior citizens. As you say, Bob, Pauline's posterior is, as it happens, pretty special, so we asked her to take her panties down once again just for you and all the other residents at the Randy Old Bastard Rest Home.

And finally a letter from 22-year-old Richard of Southend.

Dear Jim,

Can you stop fucking about with this puerile attempt at parody, and show us some more really horny women like Pauline in the last issue. Nobody reads all that crap up the front anyway. ♣

IN·THE·BAG

If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

Dear Clare,

After seeing your fantastic body on the cover of Club Vol 20 No 3 I bought a copy straight away. Can you imagine how disappointed I was when I got home and found out that you weren't actually going to grace the inside pages until the following month?

Well, that month seemed to last a year, but it was well worth the wait to see you in all your horny nakedness in Vol 20 No 4. What a great

ATTENTION ALL SQUADDIES!

Strewth! Can our wallets deceive us? No, it's true – Paul Raymond, crown prince of erotic entertainment (and our boss, as it happens), is making an offer no squaddie could refuse: half price admission to the world famous RAYMOND REVUEBAR!

Yes lads (and lasses, of course!), any member of HM Armed Forces arriving with their official ID at the REVUEBAR can see the world's sexiest show for just half the normal price. The offer lasts until December 31 1991, so the moment your weekend pass comes in get yourself down to London's premier nightspot sharpish: you'll find it in Walker's Court, off Brewer Street, Soho, London W1. See you there! ♣

Ginny's The Best...

I am writing to tell you that I think your magazine is brilliant. A mate of mine has been a reader of Club for three or four years now, and he passed on a copy of February's issue and told me to get stuck in.

Well, I'm glad I took him up on the offer. The magazine he gave me had a lovely girl called Ginny on the cover — who I now know is the regular Club girl. It's not hard to see why really — I opened up the pages and saw her dressed up as a schoolteacher! I don't know what it is about her — maybe it's her long blonde hair, or her cute face, but I reckon it's that delicious pussy. If I'd had a teacher like Ginny at school I'd still be there now!

And as if Ginny wasn't enough, what about all the other girls? Michaela, Suki, Clare, Leanna... the list is seemingly endless!

I'll be first in the queue for the next issue! — *Richard, Buxton*

A Woman Writes...

I don't know how many lesbians read your magazine, but I'm more than happy to tell you that you've got two girls who never miss a single issue!

Jennie and I have been readers of Club for about four years now. We came across it quite by chance — we were staying in a rented cottage in the Lake District and can only assume the previous occupants left it by mistake — and that was it, we were hooked! We've never missed an issue since then and it just seems to get better all the time.

Apart from featuring beautiful girls, such as Lana and Simone from Vol 20 No 4, our favourite part has to be the *Talkin' Blue* section. There's nothing better after looking in lust at loads of beautiful girls than to read through nine pages of real-life readers' confessions. Who knows, maybe you'll be getting our own confessions pretty soon!

Keep up the good work — you're making two girls very happy indeed! — *Carol and Jennie, Surrey*

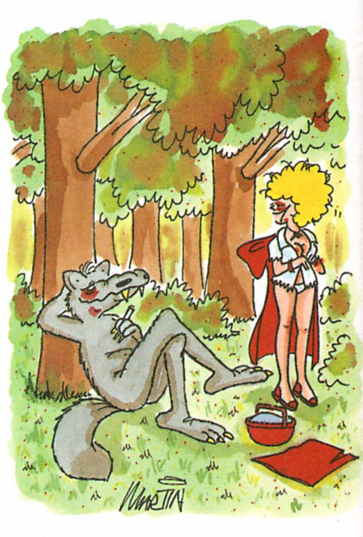
Story Teller

I've found a great way to pep up my sex life. My girlfriend Josie and I write our own dirty stories and then read them out to each other. Hearing Josie's sexy fantasies always gets my cock rock hard and raring to go! The sight of her sitting in front of me with her legs open and her fingers in her pussy while she reads out the sexy scenes gets me so horny that I have to interrupt and leap on her for a fast and furious shag!

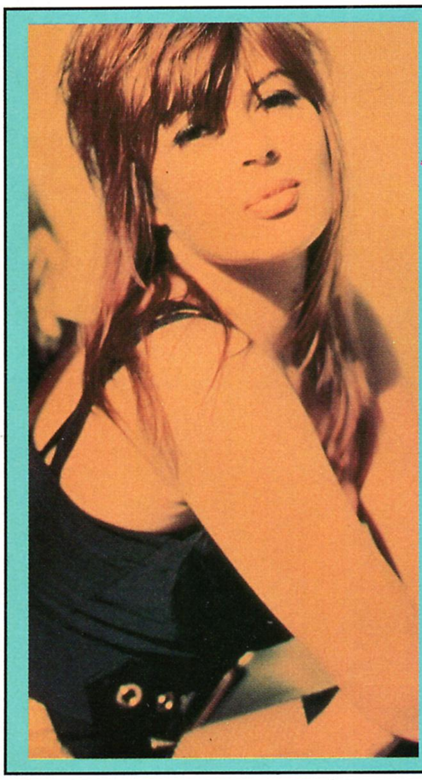
Our best time ever was the other week when Josie told me she felt like a story session. She told me to lie on the bed and close my eyes. Then she began.

"Once there was a horny girl who loved sucking cocks. She dreamed about it at night, and was always frigging herself off at the thought of sinking a thick throbbing shaft to the back of her throat... "

Suddenly, the story stopped, and just as I was about to open my eyes, I felt my cock enveloped by Josie's warm, wet mouth. She stroked my balls as she slid her tongue up and down the underside. The blood rushed to my prick and it stood up hard as she licked and sucked, faster and firmer, gripping the base with her hands. She ran her tongue round my helmet then back down the length of my cock, again and again until I thought I would explode.



What a silly girl I am! I was thinking you wanted to eat me!



Divine Inspiration

Like all great rock bands,* The Divinyls *beckon the listener down dark and dangerous avenues...

Well that's enough crap from the record company press release. What you really want to know is, are *The Divinyls* any good and have they got a fit bird in the band? Well... er... no and yes, respectively. Sexy singer Christina Amphlett is one horny warbler! For the group's last single, *I Touch Myself*, this brunette nymphet threw herself around in a Parisian hotel bedroom wearing nothing but a smile. The vid was promptly banned and hey presto! they had a minor hit on their hands.

Next month, Shane McGowan gamboling naked through a rose garden then diving head first into a jacuzzi in The Pogues new video. ♣

set of pictures! I loved all your different poses — especially the pictures of you showing off your neatly-trimmed blonde pussy. I've often dreamed of getting to grips with a beautiful cunt like yours.

I'd slowly kiss my way down over your lovely breasts, gently sucking on your buds; then I'd make my way over your flat stomach and down further to your jewel. And what happens when I get there? I'll leave that up to you, Clare! — *Graham, Oldham*

Mmm, that sounds like fun to me, Graham! I love a guy who takes his time and pampers a woman. There's no point in rushing things, you've got to take them really, really slow. I've been known to spend the whole weekend in bed — as long as I've got the right fella! — ***Clare*** ♣

Then she sat upright.

"Most of all," she continued, "the horny girl loved the taste of hot spunk filling her mouth. She liked to catch every last drop and suck the cock completely dry... " and with that, her lovely lips slid around my bursting cock once again. It was too much and I gave a long moan as I shot my wad deep in Josie's mouth. Just like the story, she lapped up every last drop.

"And then," she continued, just as I thought that must be the end, "she began all over again!"

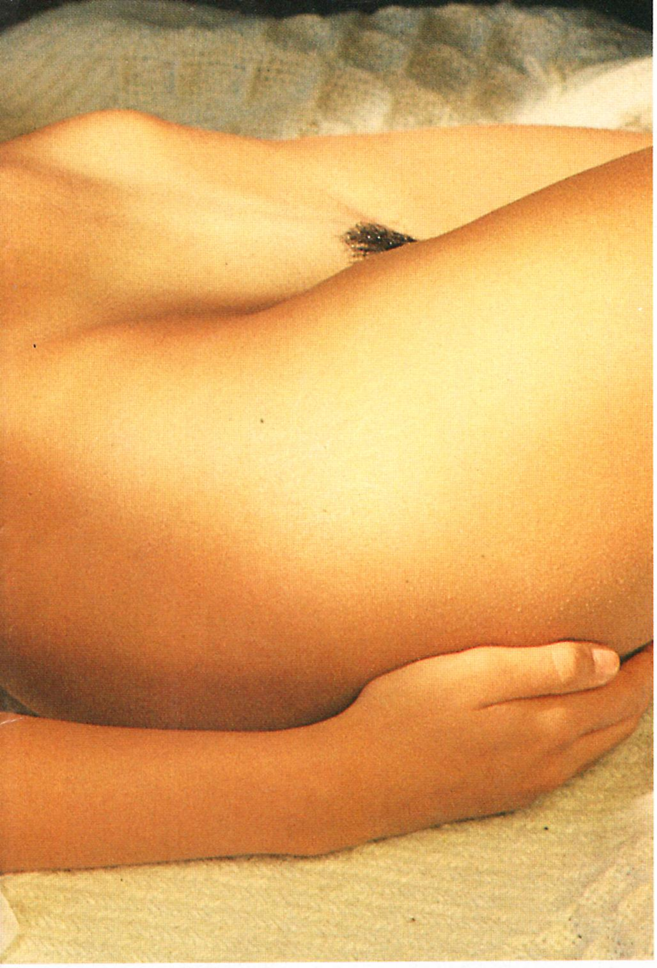
Photographs by Michael Moore

Mercurial Miriam is a bit of a challenge to keep up with — but quite a prize if you can manage!

"I'm a very spontaneous person," laughs the 20-year-old dancer. "I think a lady has the right to change her mind, and I'm the sort of person who always says exactly what I



think, even if it contradicts what I just said a minute ago."

Sounds tricky, Miriam.

"Maybe I just like keeping my options open," giggles the

curvaceous cutie. "After all, if I say that I prefer dark men, a gorgeous blond guy is certain to turn up. And I've always thought that really muscular men were the best between the sheets, but then slim guys are quite tasty too... mind you, at least I'll have fun trying to make up my mind!" ♣

TOP TITS

"The hills are alive..."

Big rounded whammers that bounce well and wobble,

Medium-sized mammaries you can't wait to gobble,

A pair of pert titties and the feeling that brings,

These are a few of my favourite things!

This month, *Tits on Tour* has reached the spectacular peaks of the Alps. With all this snow about, there's a nip in the air — two in fact on the summits of these mamm mountains. Those glistening white slopes with their rock-hard outcrops have skiers yodelling their avid appreciation. Even the ladies of Zurich are far from being gnomes in the knocker department — and unlike their banker boyfriends, they don't keep their assets a secret. Take them for a glass of schnapps, and it's downhill all the way.

No, there's nowhere like the Alps for a spot of idle vice with a bit of Tyrolean tit. Apres-ski, why not fondle a pair over the fondue before a bit of shilly-shallying in the chalet and a Swiss roll in bed?

Climb every mountain, I say — especially if they come in pairs like these! — *George Breast* ♣

GOBBLE!

*Taxing times are ahead for **Nathaniel Fatbastard** as VATman and his erstwhile sidekick Robbin' are poking their noses where he definitely doesn't want them... into his financial affairs...*

Ask the girl in my bank and she'll tell you I'm renowned for making big deposits. Hardly a day goes by without my leaning over her desk, slapping my assets on the counter, and insisting on putting something large in. Sometimes, it's so incredibly vast it won't even slide through her slot — and she knows I won't take it out until I really have to.

What's more, the staff respect my knowledge of financial affairs. Only the other day, I overheard Miss Mountshaft (foreign currency) whispering to Miss Smallpiece (large withdrawals) that she reckoned I was 'a real merchant banker'.

So when that familiar buff envelope from the Inland Revenue (the thriller in manila) turned up, I knew exactly what to do — piss off quick to my accountant's. Of course tax demands are nothing new to a businessman and culinary entrepreneur like myself. Ever since I came off *Pay What You Earn*, VATman and his sidekick Robbin' have been at my door regularly with their unpleasant Customs, and because I'm about as good at keeping books as Catford Library, I employ the *Many Happy Returns Tax Consultancy* (Top Floor, 112a Guttering Road, Lewisham) to have the dirty job of handling my outgoings. They can juggle with figures better than a blind man at a Page Three party, and by the time they've finished, my tax return could win the Booker Prize for Fiction. They've created more invoices from nowhere than Stock Aitken and Waterman.

However, this time, they were less than sympathetic.

"You're living beyond your means, Mr Fatbastard," whined their boss. "Where do you put your earnings now?"

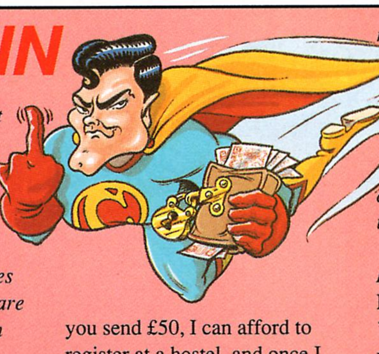
"*Rroyds Bank — at The Sign of the Black Look*," I replied proudly. "I've been going there for 20 years. It's a real bank — warm, brown and... "

"So's shit, Mr Fatbastard, and that's what they've been treating you like," came the reply. "Your bank offers no interest!"

"You wouldn't say that, if you'd seen Miss Mountshaft's mamms!" I replied feebly, but I knew they were right. Man cannot live by breast alone. It was time to take my investments elsewhere.

I started at the *Snideland* (Motto: "Come and talk to the Piss-on-you Bank") at 52,

CAPTAIN CASH-IN



Charity starts at home, says ***Captain Cash-In****, which is why he hasn't been home in years...*

From a greasy bastard with a bushy moustache,

Dear Captain Cash-In,

I am a Middle Eastern potentate who wants to extend the boundaries of his country. Can you please send me money for nuclear weaponry or better still the parts to build a supergun. Please help. Nobody else is talking to me.

Captain Cash-In Says:

Sure Saddam (oh shit, what a giveaway), my blueprints for sophisticated Western weapons technology are in the post — so long as you reserve me a couple of oilfields. Preferably the ones that aren't burning. There are a few nice orange groves in Israel I quite fancy and all.

From Jim in a cardboard box, London,

Dear Captain Cash-In,

I am 15 and have been homeless for three years, forced to sleep in a doorway near Charing Cross station. If you send £50, I can afford to register at a hostel, and once I have a permanent address I can start applying for work. I would appreciate it. It's bloomin' freezing out here.

Captain Cash-In Says:

I tripped over one of you bastards the other night trying to catch the last train after a meal at The Savoy, fuck near sent me arse over tit. You ought to have have more consideration. Homeless? What about the one you were brought up in, you selfish bastard?

From Fingers, Parkhurst,

Dear Captain Cash-In,

'Ere, gotta nice little earner for you, Cap'n, know what I mean? I've got some friends on the outside, and they need a bit of dosh, right? Seems there's this little jeweller's crying out for a blag, okay? Just one old security guard, get him, no trouble. No shooters, no law, no sweat. So how about you lend us your wheels for the getaway? You'll get a free respray, new plates and everything, and we'll give you a share in the Tom.

Captain Cash-In Says,

The keys are in the cake.

From Sid, Soho,

Dear Captain Cash-In,

Give us £30 and I'll let you shag my missus. She's 29, blonde and got tits like a pair of Scud missiles.

Captain Cash-In Says,

My three £10 notes and a selection of bizarre underwear are ready and waiting but I won't pay until after. I've been done like that before, okay? ♣

High Street, North Penge. Like the ad, I strode in and stated my demands.

"I want a current account that pays 15 per cent interest. I want no bank charges, no interest on my overdraft and no threatening letters. I want free investment advice, cashpoint facilities and a teller with big tits. I want... "

"You want to fuck off and find another bank," replied Mr A Brownose (Asst Branch Manager).

FatVest (54 High Street, North Penge) were no better. Their accounts had stupid bloody names and there was no way I was walking in saying, "I want to open an Orchard, please," so I gave them a miss. *Fartleys,* another two doors up, offered me the services of a dopey bimbo in puce polyester calling herself a Small Business Adviser.

"Good afternoon, Mr Shatfaster," she grinned inanely. "I understand you are self-employed. Can you tell me where you do the business?"

"In bed usually," I replied. "but I have fucked a few game girls over the kitchen table before now."

"That'll be all!" she said, disappearing in a shower of static.

My interview with *TBS* (the Bank That Always Says 'Yes') was even shorter, though at least their slogan was the most accurate.

"Tell me," I demanded. "Are you a bunch of fucking rip-off merchants like all the other bastards?"

The clerk smiled.

"Yes," he said.

So after a few pints of Red Cock strong cider (£1.50) in *The Dead Lion,* I made my way down the other side of the street to assess the building societies. *Crabby National, Happifux, Nationwide Except Anglia* and the *Cunt and Towntree* were practically next door to one another. All had primary school drop-outs behind the counter in blouses made out of reject wallpaper, lights to tell you when to move, and all offered the same accounts with lengthy names like Instant Access Bonus Asset Liquid Gold Builder Plus. Only one, the *Lewisham and Catford Slum Club*, was different. Here in keeping with local house prices, your money went down the longer you invested.

After careful study of what each had to offer in terms of rates, number of branches and girls with nice knockers, I plumped for the *Wool Itch* (60, High Street, North Penge).

"I can offer you an Instant Sterling Silver Cashbase Current Account," said Becky, toying with her blouse buttons. "Would you like me to open it for you now?"

I nodded excitedly, my Instant Access Body Builder Cock rising faster than their interest.

"And will you be putting something in our Hole-in-the-Wall?"

"At this rate," I replied.

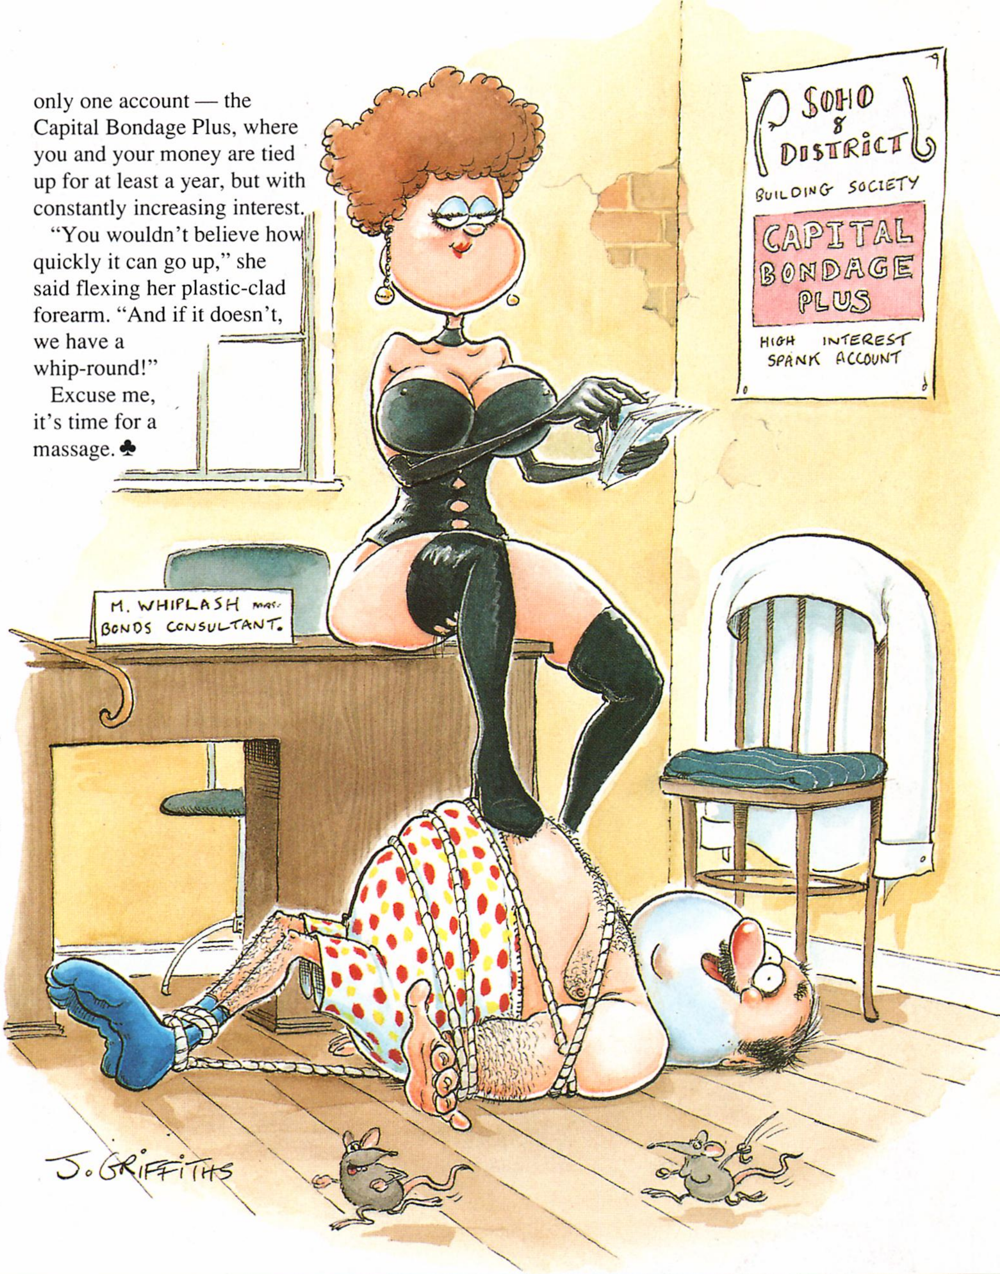
"Or perhaps you'd like to put a lump into our TESSA?"

"Which one of you is Tessa?" I asked, but she smiled and carried on. I came out with a passbook, a plastic card, a chequebook and a damp patch on my Crimplenes. But at least now my money was working for me. I went home and finished off a piece for Club.

Just my luck, when I went to deliver the article, I discovered an obscure little building society tucked away near their office that looked even better. The *Soho and District* was run by a girl in a PVC basque with thighboots and a whip. They offered only one account — the Capital Bondage Plus, where you and your money are tied up for at least a year, but with constantly increasing interest.

"You wouldn't believe how quickly it can go up," she said flexing her plastic-clad forearm. "And if it doesn't, we have a whip-round!"

Excuse me, it's time for a massage. ♣



TURN THAT SHITE OUT!

"Mr Mainwaring won't like it, Mr 'Odges!" said the podgy verger of Walmington-on-Sea as the Air Raid Warden sat pen in hand in the cramped office of the church hall.

"Never mind Napoleon. I'll show him," he replied. "I'm gonna be famous. I'm writing a book about old railway stations."

The urbane Sgt. Wilson allowed himself a wry smile.

"Do you think that's wise... " he drawled. "I mean they're rather, well, boring, aren't they?"

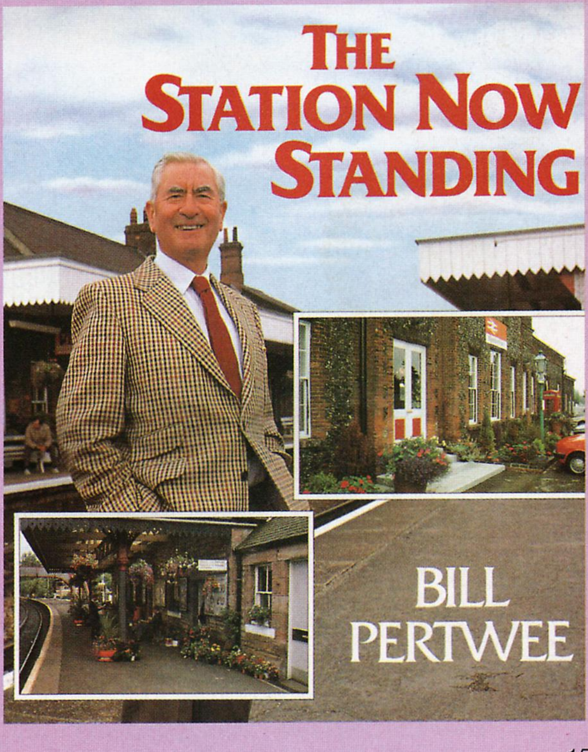
"That shows how little you know," replied the warden irritably. "I've spent the last 18 months visiting railway stations from Reading to Dumfries, Atleeborough to Dolau, and you'd be surprised how colourful and architecturally fascinating they are. So I've picked over 60 stations belonging to British Rail and privately maintained lines, and put them in a book wittily entitled *The Station Now Standing,* published by Hodder & Stoughton priced £14.95. At least I'll have some money coming in when *Dad's Army* finishes which is more than can be said for you lot. Those who are still alive that is."

"I rather like trains and stations. They remind me of the golden age of steam. I'd certainly fork out nearly fifteen quid for it," said Private Pike enthusiastically.

Capt Mainwaring raised his eyes to heaven.

"Stupid boy!"

***The Station Now Standing,* written by Bill Pertwee (aka the Air Raid Warden in *Dad's Army*) and probably about as exciting as the *British Rail Timetable 89-90* is available in all dull bookshops.♣**



she's here to turn you on!

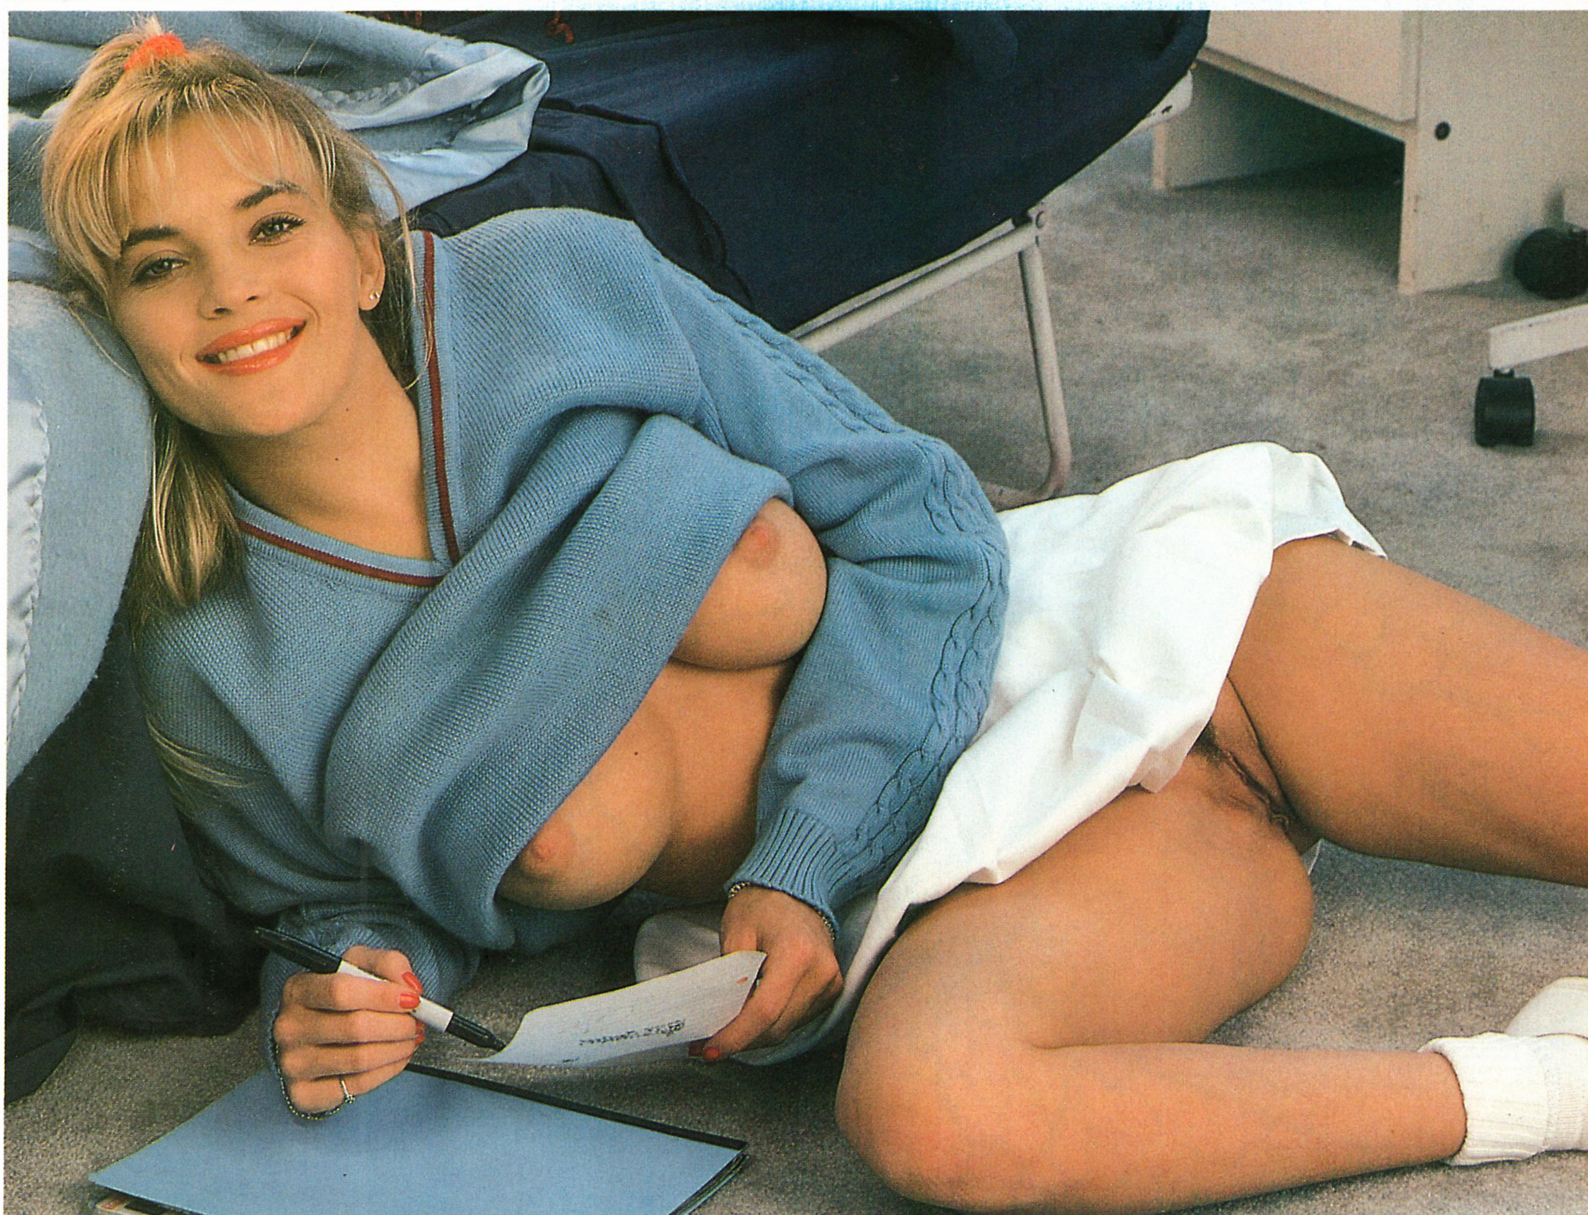
ginny

Hi guys! It's Ginny here once again to make all your favourite fantasies come true, right here at Club!

I've often dreamed of being a cheerleader — just like those girls over in America who cheer on the football and baseball teams. But we don't have a team to cheer for here in England.

Luckily a very good friend of mine, Susie, who's from

Photographs by Scott Evans



America, put the idea of posing as Club's very own cheerleader into my head. And what do I have to cheer for? Well, I've got all you horny readers for a start!

With some loud music to get me in the groove and my cheeky little outfit I'm ready to rock 'n' roll — until I realise I don't know any dance routines. Luckily, Susie was a cheerleader in college when she lived in America, and she was more than happy to come round and teach me a few new moves. Before long we're jumping and dancing for all we're worth. But you guys know what physical exercise does to me, don't you?

I can feel that familiar tingling sensation in my pussy that means I'm getting horny, and the sight of that little white skirt riding up Susie's tanned thighs as she jumps up and down isn't doing much to calm me down!

There's only one solution in situations like these — do you know what I mean?

Well, I've never been the shy and retiring type so I just slip off my panties and keep right on dancing away, giving sexy Susie a naughty flash of my plump pussy and bare bottom each time my skirt billows out!

Susie can't keep her eager eyes off me and I'm sure she's got the idea. A couple of minutes of watching me and she takes her panties off too...

Now that is something to really *cheer about!* ♣

letters to Ginny

Dear Ginny,

My husband and I just love to look at your photographs when we are making love. As soon as I opened the pages of Club Vol 20 No 4 and saw you dressed up in your sexy riding gear I got an amazing tingling feeling in my pussy and I had the overwhelming urge to be well and truly fucked. When my husband saw your pictures his cock almost went into overdrive, and swelled up just like a big, purple flagpole.

We kept the magazine open in front of us as he shagged me from behind, and I drove him to boiling point by telling him exactly what I'd like you to do to him. Having your sweet pussy to lick while my husband pumped into me would be an absolute dream.

Later on I wanked my husband off into a pair of my favourite silk panties; I've never seen him come so quick — maybe it had something to do with me saying I'd love to watch him fuck you — so long as it was my turn after him! What about it, Ginny? — *Joanne, Liverpool*

A lot of guys, and girls, have been asking me what I think about threesomes lately. Well, I've never tried it; I've had a few invitations, but I've always been a little bit too shy to accept. But I do find the idea extremely attractive.

Which would I go for though — a girl and a guy, or two guys? I guess I'd be kept pretty busy either way!

Dear Ginny,

I work in a gymnasium and my sexiest dream is to give you the best massage that you've ever had in your life.

You arrive tired and hot from a busy day at the office, and you slowly peel off your clothes, your white underwear dazzling against your beautiful brown skin. When you're naked except for your tiny G-string, you lie face

down on the bench and I get to work on you. My hands rub your taut thighs and cute bottom, and then you turn over so I can get to work on your wonderful tits. Soon you're gleaming with sweat as you get really turned on, and I can see your panties are damp with pussy juice.

There's only one thing to do, I pull off your panties and get to work on your wonderfully sweet pussy. How about it, Ginny? — *Michael, Manchester*

Your letter obviously caught me at a very suggestible moment, Michael, because by the time I'd finished reading it my pussy was aching for some extra special massage of its own! I made it last, though; first I undressed and lay down on my bed, and started with my tits, gently caressing their curves. Before long my little nipples were rock hard and ready to be stroked and rubbed. Soon I could feel my pussy juice seeping out over my thighs, and I couldn't hold back any longer; in an instant two of my lithe fingers were buried deep in my sticky pussy as I brought myself off. Now that's the kind of letter I like — keep them coming!

Dear Ginny,

My cock gets so excited each and every month as I try to guess what you're going to be dressed up as in the next issue of Club. And, believe me, you haven't disappointed me yet!

My absolute favourite so far were the pictures of you dressed up as a nurse. My girlfriend is a nurse and after she saw the pictures of you dressed to thrill in your uniform, she insisted on bringing her work home with her — in the nicest possible way, of course!

I've had so many fantasies about you, Ginny, but I'll tell you my absolute favourite.

I'm a big fan of heavy metal music and I can just imagine going along to a concert and seeing you there. You're dressed up in a tight black leather mini-skirt, black stockings, leather boots, a thin white silk blouse and a leather biker jacket.

You catch me staring at you and you turn to walk out of the door, beckoning me to follow you. You take me by the hand and lead me down a deserted alleyway. We start kissing and I fondle your gorgeous tits through the thin material of your silk top.

I can feel your nipples straining through your blouse, so I slip off your jacket and remove your top to reveal a lacy white bra. I reach around and unclasp your bra and your wonderful tits fall free. I move my mouth down to meet them and I gently lick around your little nipples which elicites moans of pleasure from your sweet lips. Now it's your turn to take the upper hand! You quickly unzip my fly and reach in and pull out my big, throbbing cock. You eagerly drop to your knees in front of me. You kiss the end of my cock and then slowly take my length into your throat, gently licking and sucking my swollen shaft while expertly massaging my spunk-heavy balls with your hands.

It's not long before you sense that I'm on the verge of coming, so you take my cock out of your mouth and wank me quickly until I spray hot, salty come all over your beautiful tits.

Does that sound like fun, Ginny? — *Tony, Glasgow*

Mmm, you bet it does, Tony! The first thing I did after reading your sexy letter was to put some loud rock music on the stereo system, then I laid back and read your horny letter all over again!

In no time at all my aching pussy was calling out for some extra special attention — if you know what I mean! I slowly slid a slim finger into my boiling cunt, gently rubbing it around and in no time at all I could feel that familiar feeling spreading right through my pussy.

Now that really is music to my ears! ♣

…….IT IS NOW!

Winner of the Ed's Pet lookalike contest, ***Maurice Short****, brings you the ugly face of sport...*

The Sport of Kings (by this I mean horse racing, not chasing after chambermaids commanding them to buff up the Royal Sceptre) has had its share of scandal recently. Apparently unscrupulous trainers have been giving their nags dope. This comes as no surprise to me. Every time I flutter a pony on some likely looking filly she comes down the home straight looking as if she'd rather be sitting cross-legged, burning a joss-stick and listening to Jefferson Airplane.

Of course things were very different in the good old days. They were far worse. In Victorian times, horses were routinely nobbled, jockeys bought off and bookmakers made a habit of legging it with the punters' money (I know, I know, but at least nowadays they have the decency to wait till the races are over).

Stephen Hendry — young, gifted and... spotty

Because it is a race for three-year-olds, the Derby attracted a fair number of dubious entrants. Most notably in 1844 when it was won by a "colt" called Running Rein. It was later discovered that Running Rein was in fact a four-year-old named Maccabeus with a forged pedigree and a dyed coat. I wonder what did happen to Shergar?

Davie Dodds — eat your heart out, Warren Beatty

And now a look at the unacceptable face of snooker. Stephen Hendry — spotty, or what? Club fiend Archie from Moffat in Scotland has pushed an interesting missive through my slot this month: "Scotland may not have the best football team in Europe, but it certainly has the ugliest players. Jimmy Johnstone had the kind of face a dog wouldn't lick; Steve Nicol looks like a bullfrog chewing a nettle and Dennis Law's face and hairstyle attract the attention of randy female ferrets everywhere. However, all these baby-startlers are male models compared to the swamp-thing himself — Rangers' player coach Davie Dodds. Aaaaaargh!"

I'll concur with you on the main part of your argument, Archie, but I must say that even though Davie Dodds looks uncannily like a man who's suffered for weeks at the hands of a partially sighted plastic surgeon with a bad case of the shakes, he is not soccer's all-time Mr Gagbag. This signal honour must go to another of your fellow countrymen, Willie Whigham (Falkirk and Middlesbrough). With his staring eyes, gaping mouth and oily skin, goalkeeper Willie was surely the real-life inspiration for Billy the Fish. A friend of mine is a Boro fan. His mother was a nurse at Teeside General Hospital while Whigham was in having a knee operation. A stream of well wishers arrived to see him throughout the day. One woman asked my friend's mam, "Is this Willie Whigham's ward?" "Aye," came the reply. "He's the one at the far end. The ugly one."

"I know," said the woman, "I'm his wife."

Another reader, Phillip of Northants, has written in with this amusing quip: "What does Irvine Scholar say when he hears Paul Gascoigne sneeze? Gazza-undheit!"

Don't call us, Phillip. We won't call you.

One good thing about being a roving sports scribe with an impressive amount of column inches under my belt is that I get to hang out with the nobs in the MCC section at Lord's Cricket Ground. By far the most delightful thing about this area is the gents lavatory (*I'm not sure I like the sound of this — The Ed.*). Running along the wall above the urinals, at a height of five feet is a two feet wide strip of window. This allows members to take a leak without missing a wicket (though when a wicket goes down, they sometimes miss

Mangie Botts, the lady licensee of *The Gropers Return*, smiled, lifted her skirt and showed her warm hospitality.

"It's a bit tight at times, babes," she said. "But I can usually squeeze another one in. Here's Rita Faircleft, owner of the dirty video shop. Then, of course, there's old Hilda Oddbum, I have her in twice a week. She flicks around my knick-knacks with a duster."

"You're not a shop door, are you?" asked Arser Fowler. "Swing both ways?"

"Oh, all us girls do in the *Gropers*. Ain't that right, Rita?"

"Aye, chuck!"

"Even you enjoy a few fingers fiddling with your fanny, don't you, Mavis?"

"Well, I don't really know!" blushed the wife of lavatory paper salesman, Derek Wilting.

"Well, I'm for that. We mock cock-neys, but they love a good knees-up, if you know what I mean!" cried Butt Clynch. "I'll just slip me kecks off!

"Right! Bottoms up!" cried Mangie, bending Butt over the bar.

"Down the hatch!" added Rita, producing her 15-inch dildo.

"Oooh I say," cried Bot Cotton, and fainted, hitting her head on the bar.

Dr Leggover rushed in and felt her pulse.

the urinals). A stark contrast indeed with the filthy, reeking sties which pass for toilets in most football grounds. One of the great unfathomable mysteries of sporting life is this: after you've waded across a floor that's two inches deep in piss to relieve yourself, waded to the washbasin only to find it doesn't work, and waded back to the fresh air; why is it only then that you notice both your shoelaces are undone?

When your correspondent was but a humble youth he one day found himself in the company of former England cricket captain Robert George Dylan Willis. Bob, as we name-droppers like to call him, droned on in his familiar comatose fashion for some hours. Only one thing he said sticks in my mind, however. For some reason he got onto the subject of top class cricketers' rectal problems and proceeded to list a dozen or so players who suffer from piles. Why did he do this? The answer, as Willis' idol Bob Dylan once said, is blowin' in the wind. I don't know if haemorrhoids are very interesting, but they certainly seem suitable items for the bottom of my piece. ♣

EXCLUSIVE! JACK NICHOLSON INTERVIEW

When movie star Jack Nicholson flew into London recently, the first people he spoke to were* Club International. *Our world renowned reporter and friend of the stars, The Man With The Chat* — Frank Twatt, *met him at the airport and managed to secure this world exclusive personal interview — but no tip.

Twatt: Where to, guvnor?
Nicholson: Central London, cabby.
Twatt: Pheeew, cost ya, mate! The Hangar Lane gyratory system's all arse-about-face, LBC says five mile tailbacks...
Nicholson: Just drive, huh...
Twatt: Here... don't I know you? You're that guy off the cinema in't ya? No, don't tell me. It's on the tip of my tongue. Jack. Jack something-or-other.
Nicholson: Nicholson.
Twatt: Naaah, that's not it. I mean the guy who was in that ***Batman*** thing with that shortarse bastard Michael Keating.
Nicholson: Keaton.
Twatt: That's what I said. Anyway, this other geezer played the Riddler or was it the Penguin? Any road... you're the dead spit of him. Jack... Nicholson, that's it! I knew I'd get it in the end. You look just like him.
Nicholson: I ***am*** Jack Nicholson.
Twatt: Well, small world innit? Small bloody world. You having the same name as a movie star. My missus really likes him and all. What was that film she goes on about? ***The Bitches of Eastwick***, that's it. He was great in that, so was that tall bird... err... Chair. Pity she's got no knockers. Then there was ***One Threw Over the Cuckoo's Nest***. That was funny that was. All them loonies. That bit where he squirts them all with the water fountain. Fuck me, did I laugh or did I laugh? Oh, then there was that big bastard Indian who couldn't talk, only he could but was just pretending. And this Jack bloke gets him to play baseball...
Nicholson: Basketball.
Twatt: Yeah, that's what I said. You seen it and all? Then there was ***The Howling***... or was it ***The Shining?*** He played the postman who always rings twice, only he brings an axe and chops through this tart's door. My old lady practically pissed her pants when she saw that! Oh, and there's ***Five Greasy Pieces*** where he does that bit with the waitress and the chicken sandwich. 'I'll have a toasted chicken on rye, only hold the chicken, hold the salad and hold the mayo.' I know, I sound just like him. My mates down at ***The Sun and Star Reader*** reckon I should be on stage, but I like being my own boss. Naah, one of my favourites is Jack... thingy, whatsizz name. So, guvnor, where do you want to go in London? No, don't tell me! Wait for it. Chinatown! Jack Nicholson — Chinatown, geddit? Huh-huh-huh. Bloody 'ell, that's a good 'un. Bloody Chinatown, eh, eh, geddit?
Nicholson: No, look, just drop me here!
Twatt: But we've only gone half-a-mile, we're not even on the M4 yet.
Nicholson: No, really, it's all right. I've changed my mind. This'll do fine. I like... err... Hounslow East. I'll walk from here, really, the rain is quite refreshing after California.
Twatt: Well, if you're sure, mate. That'll be £25.90, £26 for cash. Cheers, mate. Cor, fuck me, guvnor, wait till my missus hears about this. Jack Nicklaus in my cab...

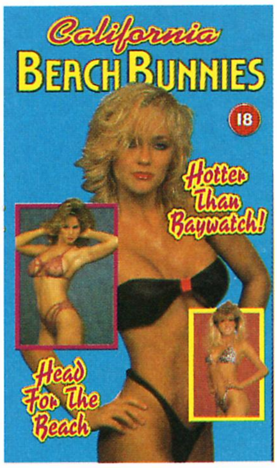
TAPED!

From Manning to Madonna, Club's vid viewer, ***Allan Bryce****, picks out the best in adult entertainment, and then makes loads of crap puns about them...*

When the sun is shining and the traffic's jammin' it might seem a good idea to jump into your convertible and head for the beach, your head filled with visions of scantily clad lovelies soaking up the rays to the sounds of *Good Vibrations*. The trouble is that when you get there you usually find you can't get a parking space unless you produce proof of ownership of a Zimmer frame, and the most exciting social event on offer is *The Ted Rogers Summer Special* on the pier.

Better then to stick at home with a movie like **Californian Beach Bunnies** (Sunset Strip Video), which contains enough tempting tarts to give even Mr Kipling pause for thought.

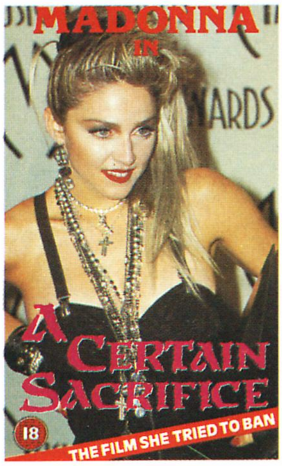
What we have here is a



bevy of posing, pretty, pouting beach bunnies strutting their stuff in a selection of seaside events that make the Donkey Rides at Littlehampton seem decidedly tame by comparison. All the capers are cheered on by a gang of juvenile delinquents whose IQ surely doesn't exceed the 18 certificate the movie has been lumbered with. All in all, it's a compelling mixture of sun, sea, sand and sex, but be warned that the competitors all shy away from revealing their natural hair colour, if you see what I mean...

Next we come to a timely re-issue of the Madonna 'porn' movie, **A Certain Sacrifice**, which is available on the Missing In Action label for just under a tenner. Made some years ago, before Ms Ciccone became a huge rock idol, this is a no-budget 65 minute sex and violence flick shot in New York City by people who should have been *shot* in New York City!

An almost unrecognisable Madonna plays a sexy, streetwise drifter who is seemingly gang-raped by every bad actor in The Big Apple and then sets out to gain revenge on those responsible. To be honest, the viewer is the only one who makes the sacrifice here; the picture was originally filmed on super 8 mm by people who had very little idea which way round to hold the camera. You do get to see Madonna in the raw briefly, but this really is for Madonna



fanatics only.

Another celebrity indiscretion is exposed in a second Missing In Action release, **Secrets**, a sleazy British-made drama from 1971. The only reason one could have for wanting to watch this dated loser is to see the absolutely delectable Jacqueline Bisset wandering around in the altogether. You do get to see Ms Bisset in the nude — and unfortunately that's the only reason for watching this trite nonsense.

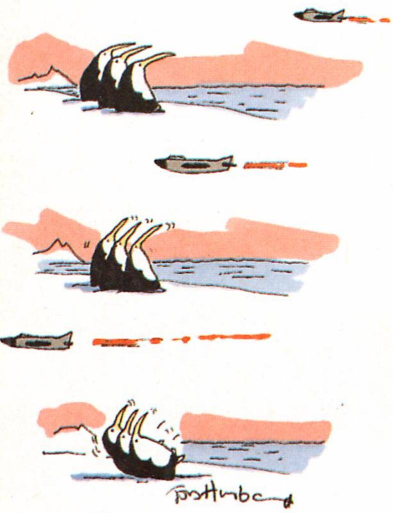
The Camera Never Lies

My girlfriend and I are very keen on photography, not the usual holiday or wildlife snaps, but naughty pictures of each other. I'd like to tell your readers about an experience we had last month.



Clare and I had just got our latest batch of photos developed and were studying them intently when the doorbell rang.

While I hurriedly hid the photos, Clare went to answer the door; and from the laughter and talking that was going on I realised it was her friend Sandra.

Sandra was just passing and had decided to pop round with a bottle of wine. It was Friday night and getting pissed seemed to be quite a good idea. After about an hour of drinking and chatting, it was obvious that the three of us were getting pretty legless, but what happened next really surprised me.

"Do you fancy seeing some photographs, Sandra?" Clare

The outrageous *Rocky Horror Picture Show* has been a huge cult success — i.e. zero at the box office but very popular with 'zany students' who like to see grown men mincing around in skirts.

A troop of of weirdos, aliens and tap dancers is led by the evil Dr Frank N. Furter (Tim Curry), in his quest to create for himself the perfect mate. A complex task performed in the full kit of stockings and suspenders — not unlike the Editor of this esteemed organ, funnily enough.

Singer, crap git and all-round fat bastard Meatloaf puts in an appearance as a deranged biker with half a brain, in a role which was lauded by many critics as on a par with the finest performances of the great Sir Laurence Olivier. *(Are you sure about this? —The Ed)*

Sam

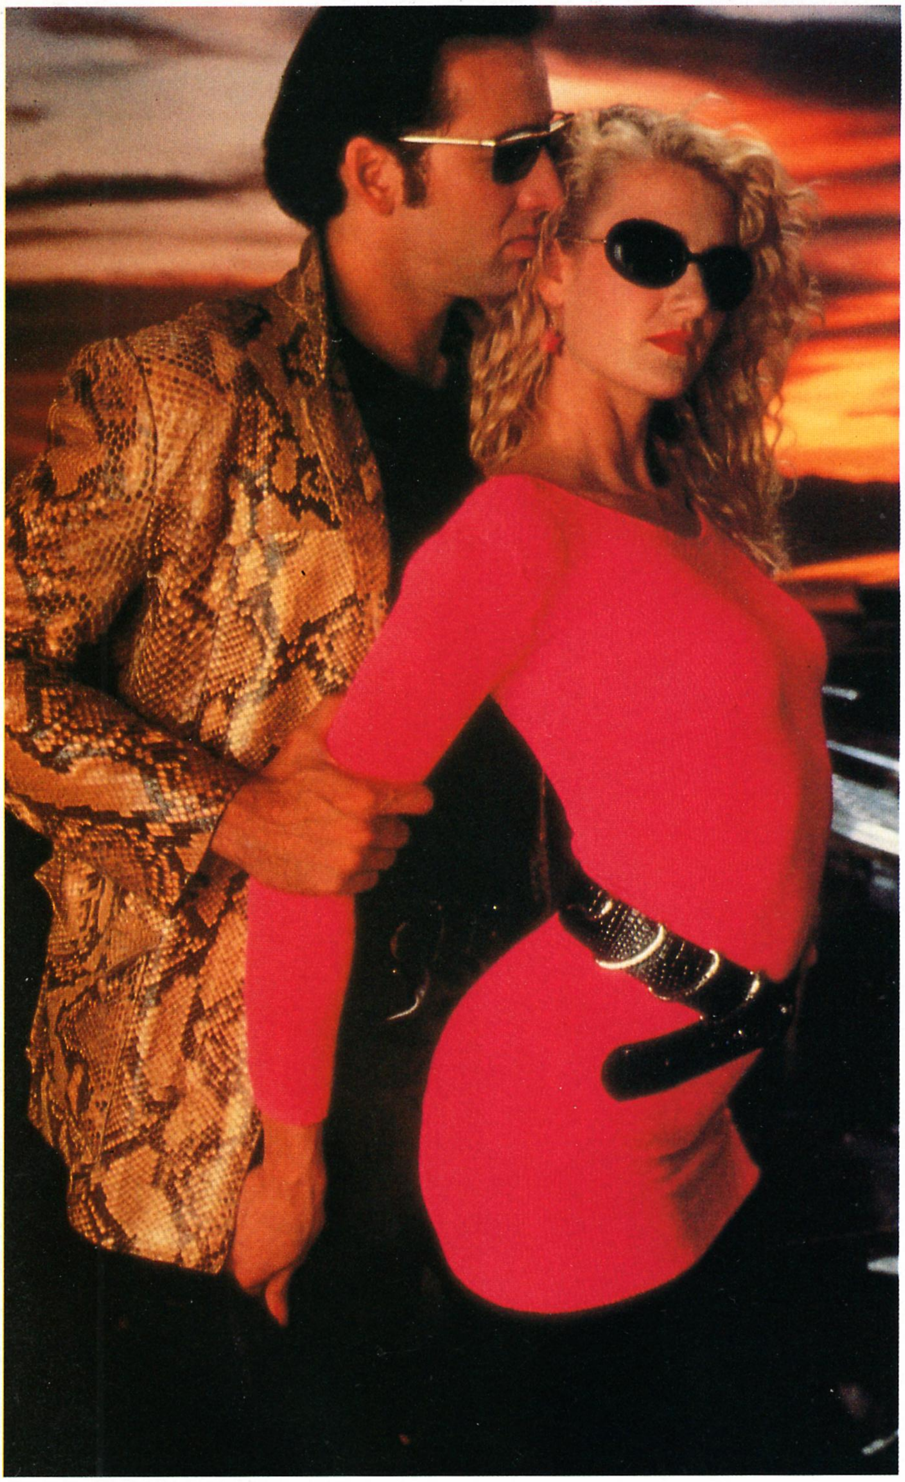
Photographs by Michael Moore

"I've never denied myself anything," confesses Sam, slowly licking some fresh whipped cream from her fingers. "While my friends were all on strict diets starving themselves to twigs, I ate whatever I liked! I'm sure the only reason I've got such a good body is because I eat so well. It's much sexier for a woman to enjoy her food. It shows that she has a healthy appetite — for other things!"

Talking of which, 20-year-old Sam is an expert on cordon blue. "You name it, I've tried it," she reveals coyly. "Cream, chocolate sauce,

warm custard, ice-cream — they're all really good for making a tasty guy even tastier! I love to have freshly whipped cream spread all over my boobs, then slowly licked off, with special attention being paid to my nipples."

And when she's not eating, sexy Sam loves a good film. "My favourite has to be Nine And A Half Weeks,*" she smiles, "For the food scene of course!"* ♣



Laura Dern

With an acclaimed role in Wild At Heart *under her belt, things are looking bright for sexy young starlet Laura Dern. Club's roving reporter,* ***Ron Dubbs****, caught up with her recently as she waxed lyrical on love, Lynch and Lula...*

The first things that you notice about Laura Dern are her long, long legs. As she sits, she crosses them, then doubles them under herself, stowing them neatly out of the way like a very sexy aircraft carriage. Next you have to gaze at the sweeping curtain of blonde hair which she ushers back from her face with a deft flick of her fingers.

And then the smile. An imperfect smile. The teeth are ever-so-slightly crooked and set back, but this merely adds to her appeal. There is a naturalness about her that you don't find in many primped, tanned and silicon-injected Hollywood types.

> **“Sex is one of the greatest things in my life”**

Laura Dern is also incredibly sexy, something she is aware of and very comfortable with. Recently acclaimed for her part in David Lynch's Cannes film festival winner *Wild At Heart*, she says the part taught her something more about herself.

“I think that the greatest gift I got from playing Lula,” confesses Laura of her part in the film, “was learning to be more comfortable with myself. Lula doesn't care what people think. She feels good about herself, her body and her boobs!”

Lula was a character who hung out in fishnet stockings, basques, crotchless tights, thigh boots and leather bras. She dotes on her boyfriend, Sailor — played by Nicolas Cage — and the two get off on each other like a box of firecrackers. “I think Nic is sexy in real life and that helped a lot,” she says of her on-screen relationship.

“Lula is the wildest character I've ever played,” adds Laura. “She's completely absorbed in her senses and that meant that I had to call upon a side of myself that

ura Dern and Nicolas Cage ... the steamiest screen pairing

I'd never put in a film before. I felt I'd gone to Jupiter."

The furthest she actually got was Las Vegas. To prepare for the role she and Cage took a long weekend together and drove out into the desert — as happens in the film — and hung out in the rather unreal gambling paradise.

"I love sexual excitement"

"Las Vegas is terrifying unless you're in the right frame of mind," she says. "The only other time I went there I was disgusted by it."

Another thing she was disgusted by was having to smoke 40 cigarettes an *hour* to complete the transformation into the chain-smoking Lula.

"I hate smoking," she confesses, "but it was important for me to use real cigarettes to make it seem realistic."

Too realistic it would seem, for at one stage she ended up passing out.

"I suddenly felt dreadfully sick. The room started spinning and I passed out and fell on the floor. I'd literally poisoned myself with nicotine."

She is quick, however, to point out the pleasurable side of filming — the constant romping with Nic Cage.

"I am a very sensual person and I love sexual excitement — so those scenes with Nic were pure magic. I cannot understand those people who think there's something embarrassing, shameful or dirty about sex. It's the most natural thing that two people can do together. Sex is one of the greatest things in my life. I love it."

Laura's greatest love, however, is reserved for acting and her background couldn't be better bred for it. The daughter of actors Bruce Dern and Dianne Ladd, she made her screen debut as an extra at seven, landed her first proper role at 11; and by the age of 16 had dropped out of college altogether to make films.

Perhaps her most well-known collaborator to date is the writer and director, David Lynch.

Her first Lynch film was *Blue Velvet,* alongside Kyle McLachlan, now immortalised as Agent Cooper in another of Lynch's creations, *Twin Peaks.*

Dern and McLachlan ended up seeing each other for real — a relationship which lasted four years. She's coy when it comes to the subject of her current beau, and insists that she lives alone in her Santa Monica apartment. However, rumours abound in Tinseltown that she is currently dating none other than Mr Lynch, who himself recently split up with girlfriend Isabella Rossellini, another star of both *Blue Velvet* and *Wild At Heart.*

At present Dern has got her own project off the ground, another vampish sex bomb part, in a film called *Rambling Rose*. This time she plays a 19-year-old temptress who disrupts a small town with her promiscuous behaviour. Dern is unworried by the subject matter.

"If people make comments about my sexuality or me being sexy in one movie, or pretty in another I know that I can handle it."

After all Laura thinks it's fun to be sexy. It was her that went out and chose the garments for alter-ego Lula's wardrobe...

"It was me who found the very short nightie, red G-string and crotchless tights," she confesses. "It was great fun going out shopping for those, I can tell you!" ♣

It didn't bother me 'cos I knew Sandra was quite broad minded and it has to be said that Sandra has a figure that would tempt a saint, so the idea of her seeing the photographs really turned me on. As Clare went to get the photos I couldn't help noticing Sandra sitting there with her miniskirt barely covering what I later found was a tiny G-string. Her loose T-shirt didn't exactly hide her ample tits either!

Her face dropped when she saw the photos and she started smiling.

"Mmm, not a bad-looking cock, Steve," she laughed.

"Well," I said, "the photos don't really do me justice."

Sandra looked over at Clare who egged her on. "In that case," laughed Sandra, "you'd better show it to me then!"

The three of us were pretty drunk by then, but getting your dick out to show your girlfriend's best mate is a different thing altogether. I looked over at Clare who winked at me, and then said, "Why don't you get it out and show her, Steve?"

Hell, if Clare didn't mind then it was definitely coming out! I dropped my trousers and let my swollen dick out.

"It looks just as good as it does in the photographs," purred Sandra, as she walked over to me and removed her T-shirt. Her tits were enclosed tightly in a lacy white bra, and I could see her nipples poking through.

"Clare tells me that you've always wanted a tit wank, Steve. Well, let's just say that I'm helping out an old friend," said Sandra, unclasping her bra.

Sandra's magnificent tits fell free, her big, rosy red nipples looking just as delicious in the flesh as they had done under the confines of her T-shirt.

"Now, Steve," Sandra said, "just you stand up a second."

I gladly did as ordered and quickly rose to my feet. Sandra dropped to her knees,

EAU SHIT!!

Our alcoholic beverage correspondent,** Arthur Lager, **finds a draught even more watery than Skol Black Label LA Lite.

If you think faggoty French bottled water is a bigger rip-off than a ring-pull, then get a mouthful of Nunz. No, I'm not suggesting cunnilingus with Sister Maria, but tasting the waters of that well-known health spa, Southport in Lancashire. Nunz is Britain's answer to those quaintly shaped bottles of Alpine piss costing 99p a specimen glassful, but doesn't have any of those silly minerals in it. Nunz is tap water — chilled and purified but tap water, nonetheless. So the only thing healthy about it is the profit.

Available from a bar top dispenser which takes ordinary free water, gets rid of some of the wiggly things, and cools it to 3 degrees centigrade, Nunz costs around 50p a glass. Artificial fizz can be added too, if desired. Now, you might think paying 50p for cold water is bloody stupid, but then so's 99p for a bottle of melted snow — after all what are minerals anyway? Rocks, just bloody rocks. Just don't ask for a glass of Nunz water in a devout Catholic pub. Another problem with Nunz is that some unscrupulous landlords have been found making it weaker still. They lager it down. ♣

willie of the month

In the second instalment of our blindingly original new column, we take a close look at another world famous name that sounds a bit like todger. This month, Willie Carson...

Standing at a mere 4'10" tall, jockey Willie Carson is indeed the smallest 'Willie' to grace this esteemed column to date. But his lack of stature has never held back the man who is indeed a giant in the racing world.

Whether he's jumping over the fences at Aintree or on the straight at Kempton Park, hordes of female fans will travel the length and breadth of the country just to get a fleeting glimpse of Willie in his tight riding breeches and spunky little racing hat.

Such is the adoration of his female fans, they've been known to be panting more than Willie's mount as he strides past the finishing line.

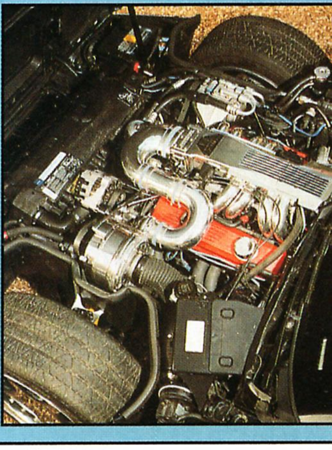
It just goes to show you, in Willie's case, size isn't everything. ♣

Gone With The Wind!

What car widdles all over everything else on the road and has more muscle than Arnie? The answer, says Club's motor maniac ***Horst Pipe****, is blowing in the wind...*

We've found it — the fastest bastard production car in the whole wide world! It's called the Tempest, and motor maniacs will not be surprised to learn it's designed by Robert Jankel. The handbuilt lightweight Kevlar body is powered by an immense 6.7 litre V8 engine: it outperforms the lot — even Jankel's last extravagance, the six-wheel 8-litre Panther Six, which was doing 200 mph back in the days when Lamborghini were still limp-dicking around the 170 mph mark.

The Tempest is then very fast or, to use the racing terminology, the dog's bollocks. And nothing else comes close: 0-60 takes only 3.3 seconds. By way of comparison that's the time it takes a Ferrari F40 driver to turn the ignition key, and a full two seconds less than the driver of a wide-ass Porsche 911 Turbo 3.3 will need to zip up his anorak before opening the garage door.



Based on the famous race-winning 'bow-tie' V8 block, the Tempest's engine is able to pump out almost 550 bhp and over 600 lbs of torque

while Clare moved across the room and knelt beside the two of us. Clare grabbed my tool with one hand and pushed my bum forward with the other. Sandra moved forward to meet my cock, holding a tit in either hand as she clamped the soft flesh of her big breasts around either side of my swollen cock.

"That's it," Clare spoke. "Start pumping, Steve!"

I started thrusting my cock forwards, pushing up and into Sandra's titty flesh. Clare had moved round and was reaching under Sandra's bum and rubbing at her clitty. I looked down at Sandra who had a massive smile on her pretty face.

"Ah, that's it, Clare," cried Sandra, "push your fingers right up inside my wet cunt!"

I looked around Sandra to see my girlfriend with an ecstatic expression on her face as she thrust her fingers in and out of her best friend's hot cunt.

"I'm going to come!" I shrieked.

"Right, Clare," Sandra said, as she took my swollen dick from between her tits. "He's all yours!"

At that second Clare dropped to her knees and clamped her lips around my swollen dick and began to suck frantically. Sandra moved over to a chair, and with her legs splayed started to frig herself.

With Clare's sucking it was only seconds before I released a stream of hot, sticky spunk into her mouth.

Clare looked over and winked at Sandra.

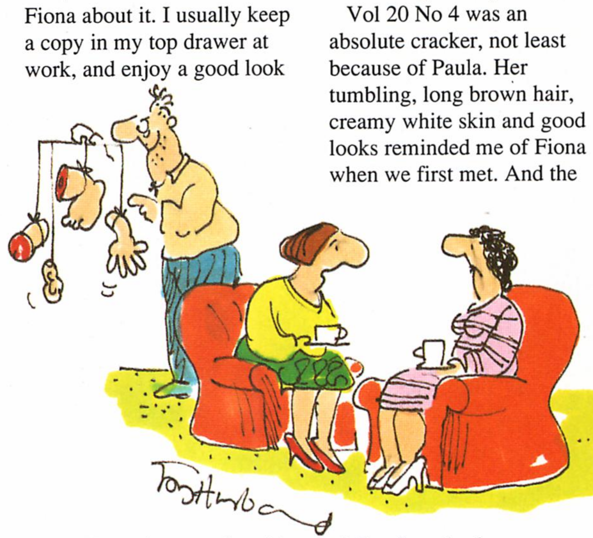
I later found out from Clare that Sandra had seen the photos loads of times before and had expressed a wish to see my cock in the flesh. I was certainly happy to oblige her! — *Steve, Oxford*

Housewife's Choice

My name is Geoff, I'm 24 years old and married to Fiona. We've been together for two years and to be quite honest our sex life had been getting pretty dull — until recently that is.

I've been a keen reader of Club for about five years now, but I've never told Fiona about it. I usually keep a copy in my top drawer at work, and enjoy a good look at it during the day.

Vol 20 No 4 was an absolute cracker, not least because of Paula. Her tumbling, long brown hair, creamy white skin and good looks reminded me of Fiona when we first met. And the



Henry's started making mobiles from body parts thanks to a Carroll supercharger which produces up to 10 lbs of boost. Add to that electronically-controlled water-injection and it's a mean machine by anyone's standards.

Top speed is substantial (redlined at six thousand revs, it's already doing 200 mph by four-and-a-half) and a tuned tube multi-branch exhaust system ensures that other road users will hear you coming. But stragglers in the fast lane are never a problem if you're driving a Tempest since one flash from the 800 watt eight-unit headlamp system will probably vaporise them instantly.

The Tempest is well-endowed with the latest creature comforts too. Climate control air-conditioning is standard, along with power seats, electronic speed control, and a steering-wheel mounted safety airbag in case you stuff it badly.

On the music front the car is particularly well equipped with a state-of-the-art Bose cassette/CD audio system which automatically ups the volume as the car's speed increases. Independent tests have proved that it's fucking loud.

The flight deck itself is a mixture of computer controlled analogue and digital displays. Individual sensors, will warn you if tyre pressures drop off — and a blue flashing light in the rear-view mirror indicates that you are about to lose your licence. ♣

silk underwear and stockings she had on were just the sort of thing that Fiona used to wear.

I was so impressed with the pictures of Paula that I got two copies of Club, one for my drawer at work and one which I carefully hid away in our flat.

One night last week I arrived home from work fully expecting the usual night in front of the television, and maybe if I was lucky, I might get a kiss before Fiona had one of her 'headaches'. As I walked in though, there wasn't the usual noise coming from the kitchen or

We think it's important to give our girls a say, but what could Kelly possibly come up with to tear your disbelieving eyes away from her stunning good looks, tender cheeks and perfect boobs?

"Life's so much easier being bi-sexual," declares our Basingstoke-born beauty, grabbing our attention with a smile that could melt Antarctica. "It's so relaxing knowing

that when I slip out to my local wine bar I can get turned on by admiring glances from both guys and girls. I'm not shy about my sexuality at all; being happy with a prick or a pussy is the easiest way to double your fun!"

Regular readers of Club might like to know that the lucky girl who's currently having the most fun with our cute centrespread is none other than our own regular raver, Ginny!

"We share a flat together

in South London," says 20-year-old Kelly, slowly slipping her shoulder straps down to reveal a pair of smooth breasts. "So when we're feeling sexy and there's no guys around to give us what we need the two of us sneak off to bed and I show her just what a girl can do for another girl. Honestly, Ginny's so innocent — which is more than can be said for me!" ♣

the trials of sex life

No 1: Pillocks at Parties

Television naturalist ***David Utterburk*** *has spent most of his life filming the problems other species have in shagging. Now the old pervert turns his attention to Man in the first of a series that took ten years, millions of pounds and hundreds of pints to produce...*

Since the dawn of time as we know it, one species has evolved to become the ruler of life on the Planet Earth. Homo-sapiens — mankind. So why does he find it so hard to get his leg over? Well, even for this, the most sophisticated of the primates, mating or "getting-his-end-away" as he chooses to call it, can be fraught with problems.

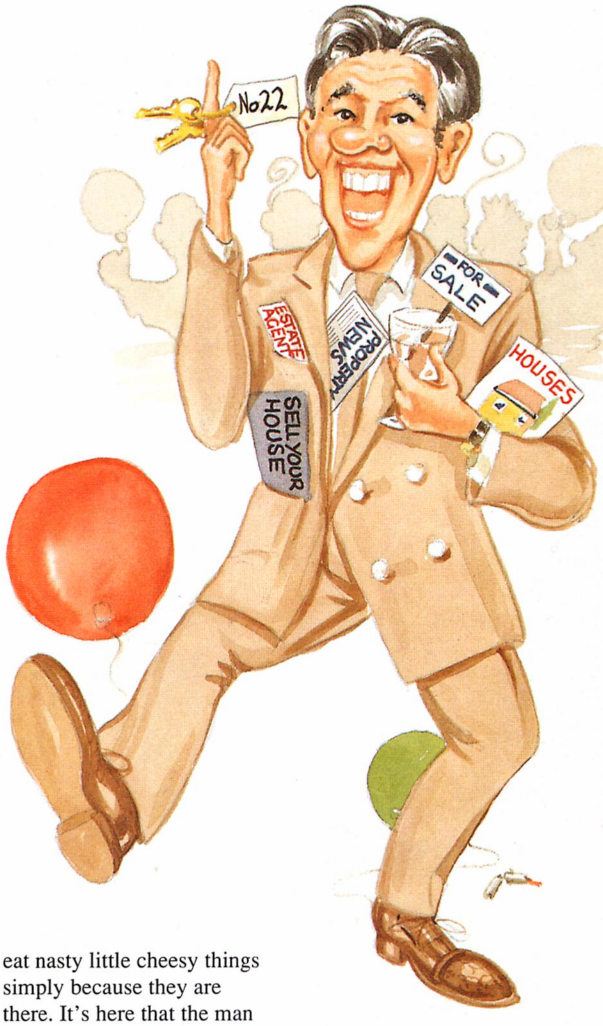
Many of the natural habitats for shagging are being removed in the name of progress. The forests, where once Man was able to bonk beneath the trees, throwing his French letter in the stream and choking the ducks, have been ripped up to make hypermarkets. The lay-by — home of in-car mating for generations — has been bought up by Happy Eaters. And cinemas, for many years the dark, damp shelter for a night's sticky fingering, are being turned into trendy Arts Centres showing black and white Trufaut films which science has discovered can actually prevent a male human being getting the erection he needs for sexual satisfaction. So increasingly, Man has to leave his natural habitat to find a suitable partner for procreation — the name we naturalists give to fucking his arse off. He has to attend a party.

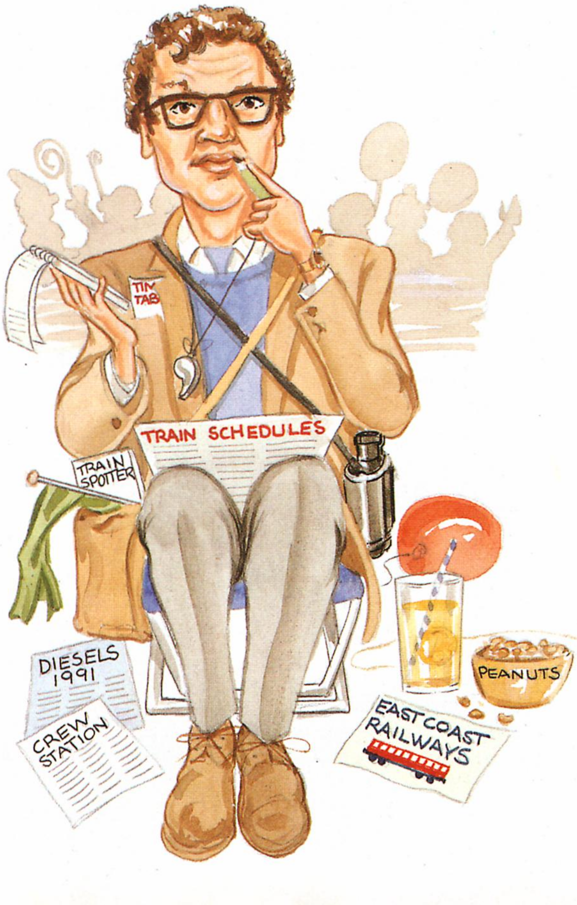
Which is why, thanks to a vast BBC expense account, I've travelled halfway around the world from my holiday home in Malibu to this uncivilised hell-hole which, at first glance, seems quite incapable of supporting any sort of intelligent life. This is Lewisham. And, hard though it might be for the casual observer to imagine, just like the termite hill in Episode 247, Series 7, inside this seemingly abandoned terraced house, it is teaming with life. Let's go and have a closer look...

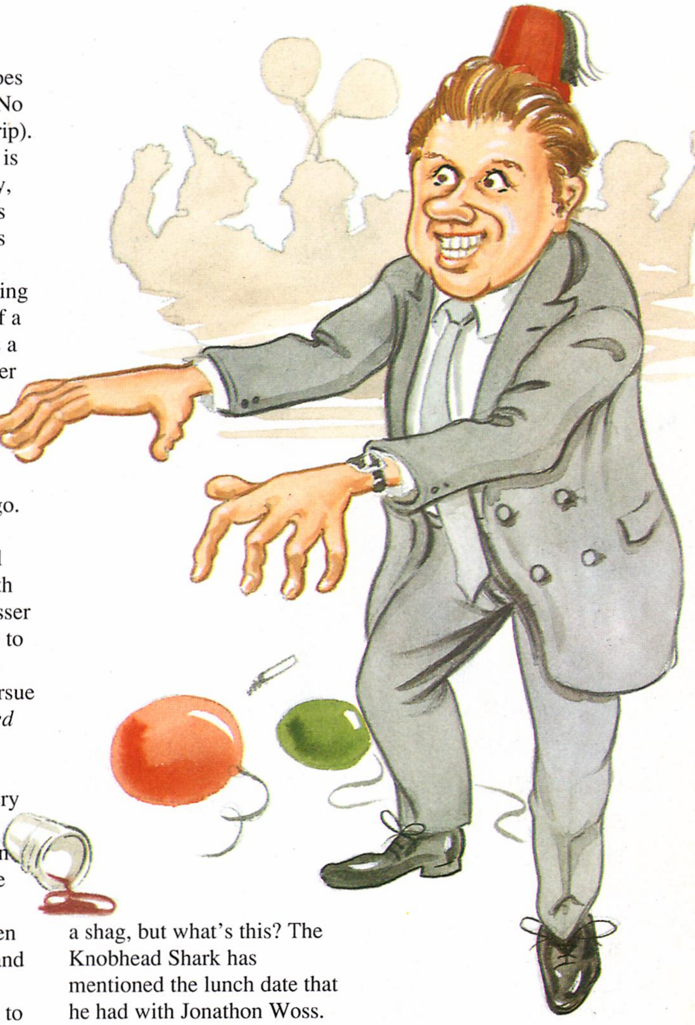
As I creep down the hall, being careful not to disturb the collection of Spanish holiday souvenirs on the wall which have taken many years to form, I come to the kitchen, traditionally the very epicentre of a party like this one. Here, like elephants at a watering hole, men can gather to eat and drink, safe from predators such as their boss, religious zealots and the wife who thinks he's working late. Here, strengthened by their numbers, men will gather to formulate a plan for successful mating with the unaccompanied females, drink liquids to bolster their confidence still further, and eat nasty little cheesy things simply because they are there. It's here that the man on the look-out for a female will get his first chance to size up the opposition — those competing for the attentions of the females or to give them their scientific name, The Other Cunts. If I am careful to hide myself behind the melanine kitchen table, crammed as it is with bottles of sweet white wine and bowls of tortilla chips, we might just be lucky enough to watch a few going through their elaborate party rituals.

And yes, here comes the first, a Greater Spotted Train Buff (*Dullus Loco Wanka*). Easy to recognise by its dull grey coat festooned with badges, and largely harmless, it nonetheless causes many other males to flee at the first sight of it. They are scared of being bored to death — a condition known as anoraknophobia. Sadly for *Loco Wanka*, his disappointing outward appearance means he is lucky to mate once every ten years. So instead he lives alone, building up a magpie-like collection of useless things — train numbers, militaria, Val Doonican records and maroon-coloured socks. Because he so rarely ventures away from home, the Train Buff is naturally shy, and tends to spend the whole party in one corner of the kitchen existing on a diet of cheap lager and peanuts.

In total contrast, next to him we find *Estati Agentus*, or The Drone. This creature uses his somewhat smarter plumage and loud calls in much the same way as a spider uses a web. He 'traps' people by dropping titbits like "Do you know I can make an extra 20K on your flat?" or "I've got a nice little villa in Torremolinos I could let you have for £15,000."







Then once in his grasp he sucks them dry with his range of 'hilarious' conveyancing anecdotes. Many a female can be lured by this outward display of confidence only to find The Drone as dull as his name suggests. It has been suggested that *Estati Agentus* has a language all its own after zoologists heard them repeating phrases like "surprisingly spacious", "full of character and original features" or "ideal for the first-time buyer", but on closer study it has been discovered that these random noises have no meaning whatsoever.

"Oooh woo-woo all right, my loves? Good game, good game!"

Well this is exciting. Entering the kitchen now is Awful Impressionist (*Rori Yarwoodae*), a mynah irritation that can usually only be found at parties a lot later in the evening. *Yarwoodae* generally only comes out after the pubs have shut, and is famous for its ability to imitate the cries of other creatures, usually very badly. The Impressionist believes that he can attract a mate by repeating a series of catchphrases learned parrot fashion from terrible TV shows like *Strike It Lucky*, *'Allo 'Allo* or anything with Bruce Forsythe in it. A sadly deluded creature, he usually sleeps alone. The reason for his early arrival is that *Rori* needs to consume three times his bodyweight in alcoholic liquid to maintain his range of calls, so he too will spend a good deal of time in the kitchen.

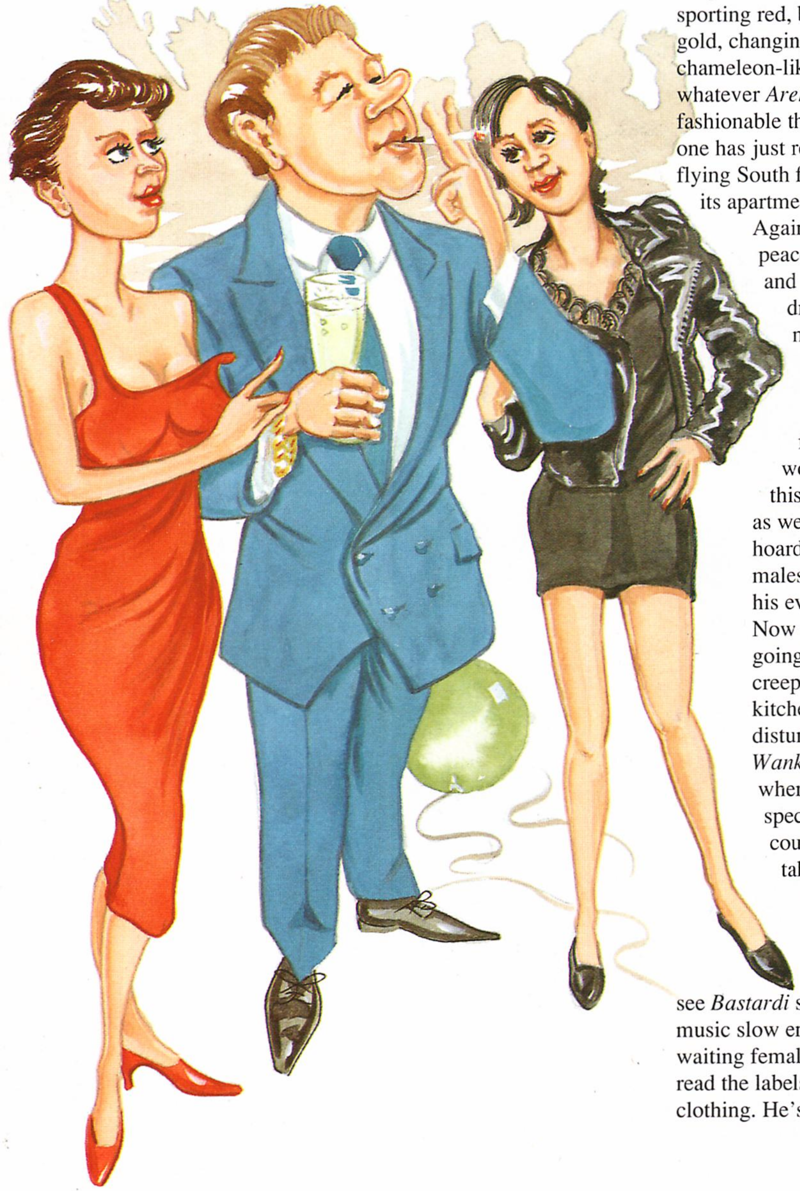
So far, our ordinary human male doesn't seem to have a lot of competition when it comes to getting his end away tonight, but strutting into the kitchen now is *Slicka Bastardi*, and judging by its opening roar of, "Did I tell you about the time I won ten thousand in a casino in Monte?" this is Rogue Bull. *Bastardi's* brightly coloured designer plumage attracts fanny like a magnet, as does his unique scent (Chanel No 5 Pour Homme, £299 a drip). The female of the species is drawn to him immediately, flocking and following his every move like ducklings round their mother. This particular male is fascinating as he has the equivalent of a tick bird with him. This is a docile member of the lesser species — in this case a hairdresser called Sharon — who lives off the back of the *Slicka*, constantly preening his ego. Despite her continual presence the *Bastardi* will never consider mating with this parasite. A bit of a pisser for her. Instead, he is able to choose at leisure from the dozens of females that pursue him, and unlike *Henpecked Husbando* often seen, he doesn't pair for life, but chooses a new female every time. Lucky sod.

Even more outrageous in the colour of its coat is the Knobhead Shark (*Media Moglus*). These can be seen sporting red, blue, green and gold, changing colour chameleon-like according to whatever *Arena* says is fashionable this week. This one has just returned after flying South for the winter to its apartment in Florida. Again, its spectacular peacock-like display and habit of name-dropping loudly makes him never want for a mate. Fortunately for ordinary worker humans, this one is a Queen, as we can tell by the hoardes of younger males attendant on his every need. Now though, I'm going to try and creep out of the kitchen (without disturbing *Loco Wanka*) to the lounge where the most spectacular courtship rituals take place. From my position behind the draylon sofa, I can clearly see *Bastardi* swaying to the music slow enough for the waiting females to be able to read the labels on his trendy clothing. He's clearly on for a shag, but what's this? The Knobhead Shark has mentioned the lunch date that he had with Jonathon Woss. That has sent them scuttling over to him just like krill feeding a whale (Episode 392, Series 4). And what's this creeping out of the woodwork? It's *Everesti Anglia*, the double glazing salesman. A fascinating creature indeed, who, like the salmon, travels miles every year but always mates in the same place — *The Crest Motel* on Kettering By-Pass. But *Bastardi* has spotted him and sees him off with a territorial shove towards the door.

"You can tell by the way I use my walk, I'm a woman's man..." *Yarwoodae* has entered the fray with his appaling Bee Gees falsetto and John Travolta dance, while *Estati Agentus* and the Double Glazing Salesman lock horns in a corner over the detrimental effect of UPVC double glazing on period property. With the Shark and *Bastardi* also waging ego wars, could this be the chance for *Homo Ordinaire*?

"Errm... I don't suppose that you would... err... what I mean... that is... do you fancy a bit of a bop, like?" There! For the very first time in print, we have captured the extremely rare chat-up line of the Ordinary Man, and what's more, it looks very successful. He's lured her onto the floor, and so long as he can keep a tight hold of her during the smoochy numbers without treading in the ashtray, he stands an extremely good chance of getting her back to his place. And indeed, even as we speak, there goes his hand on her bum and she hasn't reacted badly at all. I do believe that he's going to get a shag! They're leaving early and I'm going to follow them with my BBC Natural History Wild Life Film Unit team. Meanwhile, from me, goodnight.

If you would like a copy of this rare scientific study of *Homo Ordinaire* ***getting his end away, a video and fact sheet are available by writing, enclosing a SAE, to Dick's Dirty Videos, PO Box 19990 London E90 (Tel 0898 555 6969) A coffee table tome entitled Lots of Big Pictures and Bugger All Text (Overpriced Books £59.99) will also be on sale in time for Christmas as a present for boring bastards who find that sort of shite interesting.***♣



marie

When Marie adorned our centre pages in Vol 20 No 4, she told us she'd like to appear in Club at least 5 times over the next year. Ambitious? Not at all. You guys wrote sackloads of letters saying it was a great idea — and could we start now?

So here's Marie doing what she loves best — turning you on. "This is my way of saying thank you for all your letters," the gorgeous 21-year-old revealed. "Some of them made me so hot and juicy that I just had to play with my pussy as I read them. And I'm thinking about them right now, guys..." ♣

WOMEN'S WRITES

Where the girls get down to business

Landlady lust

My name's Andrea and my best features are definitely my tits. They're what people remember about me anyway, because they're huge, creamy white and firm, and a lucky guy — or girl — who gets to see them close up will notice what lovely pink nipples I have.

They're incredibly sensitive too, and I just love them to be squeezed and stroked. I like it when a guy strokes and squeezes them before sliding his hard cock between them and rubbing them over and around his shaft, until he spurts all over me. As you can imagine with tits as frisky as mine, I get into all sorts of sexy situations!

In fact writing all that got me so turned on, I nearly forgot what I was going to tell you! Ah yes, my flat hunting adventure.

Recently my boyfriend Alan came with me to check out this small bedsit in a large block. It was a lovely hot day and I had on my shorts and vest-top, which of course shows off my mamms to best advantage.

When we rang the doorbell at the agreed time, we were both stunned by the gorgeous woman who answered the door. I'm small and curvy with blonde hair, but she was lean and athletic-looking. Alan's eyes nearly popped out of his head when he saw her. She had long, thick, dark hair and a soft husky voice; and when she spoke, I felt a shiver go through me. I should tell you that I'm not often attracted by women, but when I am, I'm absolutely unstoppable!

Anyway, she looked us both up and down and invited us in. She explained that she lived on the premises in a flat of her own, and she asked if we'd like to discuss terms over a coffee in her front room. The house was really warm and friendly, and we readily agreed.

We made ourselves comfortable on the huge expensive sofa against one wall while Gemma went away to make the coffee. I couldn't take my eyes off her as she moved gracefully across the room. Her tight round bum pressed against her skirt and I could see each cheek moving against the other, her hips swaying gently from side to side as she walked.

"You really fancy her, don't you?" Alan whispered

in my ear, and I could only nod. My nipples were tingling with excitement, and when I looked down, they were poking up hard through my vest top. Alan, obliging as ever, secretly slid his hand under my skirt and stroked my pussy lips. He gave a gasp of surprise as he discovered how wet I was, and pushed his finger along my slit to my clit. I didn't make a sound as Gemma walked back in with a tray of coffee; and as an orgasm rushed over me, I struggled to take a sip, managing to spill only a few drops.

I hoped that would calm me down, but Gemma, with her firm body and dark eyes, was still giving me the horn. Then she surprised us both by telling us her terms.

"I only take in people I fancy," she revealed, calmly nibbling a biscuit.

We were flabbergasted.

"And I have to say that I find you both very attractive, but particularly you, Andrea. You have the most incredible breasts I've ever seen."

When I glanced at Alan I saw his jeans were starting to bulge around the crotch. We could hardly believe our ears as this sexy woman said, "Now, Andrea, I'd like you to take off your clothes."

I was shaking like a leaf as I stood up and peeled off my vest top. I was obviously taking too long as Gemma came over and pulled my

shorts down in a business-like way, leaving me standing topless in my tiny G-string. Gemma began to run her hands over my thighs and bum, saying, "You're very firm and smooth. You're lovely." Then she gently licked my tummy button, before running her tongue down to the edge of my G-string. She slipped my G-string off and began licking between my pussy lips, stroking lightly across my clitty, then thrusting her tongue into my pussy.

I moaned out loud, and that set Alan off. He pulled off his clothes and went behind Gemma, unzipping her tight dress. Gemma swiftly slipped out of it and was soon kneeling in front of me in nothing but black suspenders and stockings. Alan kneaded her boobs from behind, his swollen cock bumping against her. As Gemma got on all fours, licking my pussy furiously, Alan squeezed her bum cheeks together. She stuck her bottom in the air and Alan sank his cock deep into her from behind.

While Gemma was giving my pussy attention, I played with my boobs, stroking the smooth skin and tweaking the nipples. My fave fantasy popped into my head, as it always does when a climax is on the way. Just to finish me off, I wanted Alan to slide his cock between my tits and spurt all over me.

At that moment, Gemma lifted her head from my pussy and moaned as she came. "Come over here," I said to Alan, as he thrust faster into Gemma. "Come and fuck my boobs!"

Gemma watched as I lay on the floor and Alan straddled me, sliding his glistening cock along my belly. Gemma's juices were dripping from it as he rubbed my boobs over his shaft, harder and faster. I felt fingers in my pussy as Gemma brought me off and I arched my back as my climax hit me. At the same time I felt hot spunk splatter over my boobs and throat as Alan shot his load over me.

Alan and I collapsed exhausted. Only Gemma still looked fresh and ready for more.

"I've got good news for you," she said to me, smiling. "You've got the room!" Alan and I were delighted — if it meant more threesomes like this! — *Andrea, London*

THE FIRST TIME

Your horniest new experience

Three In a Bed

I've only been reading Club for the last 12 issues or so, but I have to say that I've enjoyed every single one. I was introduced to your excellent magazine by my girlfriend, Lesley, who also suggested that I write in and tell your readers about my first lesbian experience...

At the time I was sharing a flat with two other girls, Sam and Helen, in North London. Both girls were the same age as me, 19 years old, but they couldn't have been more different. Helen was very tall, with long auburn hair and a very full figure, and Sam was athletic and of Italian descent. We all got on very well together, but Sam and Helen seemed to spend a lot more time together than they did with me. They were always displaying outward signs of affection, kissing and hugging each other a lot, but I just assumed that they were very good friends.

I guess I realised the truth about their close friendship a couple of months after moving in with them. Looking back now it's a wonder that I didn't realise earlier!

Sometimes when I'd get in late at night Helen's bed was empty. For a good few weeks I assumed that she was still out, but at the same time I could hear obvious noises of enjoyment coming from Sam's bedroom. At first I thought that Sam had a fella in there but I soon realised that the moans and groans were coming from another woman — and that woman was Helen!

I have to admit that many a night I would find myself lying in my own bed with my slim fingers caressing my wet pussy as the noise of two women enjoying each other's body from the adjoining bedroom became almost unbearable for me. This must all sound incredibly voyeuristic, but the reason I didn't say anything was because I was afraid of them stopping — and depriving me of my own pleasure!

Eventually, I just had to do something about it.

Late one Saturday night, fortified with alcohol, I decided to take a peek around Sam's door and the sight that greeted me couldn't have been more appealing.

Helen was lying back on the bed with her legs spread wide open over the end of the bed, and Sam was kneeling on the floor, eagerly licking around Helen's pussy. I was absolutely captivated by the sight of Helen thrashing wildly around on the bed, her long auburn hair sticking to her face, as she neared an explosive orgasm. Just standing there and watching them made my pussy feel all warm and moist, and my nipples were soon standing out like little buds. I remember feeling very guilty, because I realised then that I'd never been turned on as much as that when I'd been with a bloke.

I gasped loudly as I saw Sam push her tongue deep inside Helen's pussy, and Helen screamed as the full force of an orgasm rippled through her whole body. My own hands strayed down to my boobs and I caressed my erect nipples, hardened into little peaks at the sight before my eyes.

I must have stood by that door, in a mixture of awe and heightened sexual excitement, for a full 30 seconds before either Sam or Helen realised that I was there.

When they did spot me, there was obvious embarrassment. But when they both realised that I was getting as turned on as they were, I was motioned in and found myself enjoying my first lesbian encounter.

Sam rose from her kneeling position on the floor and reached her hand out to mine. I could see her mouth was glistening and wet with the juices from Helen's pussy as she smiled. She was dressed in a black silk negligee with a tiny black G-string pulled tightly over her crotch, which accentuated every curve and bulge of her cunt. I could see a damp patch slowly spreading over the gusset.

Sam took my hand and pulled me close to her. I found myself being expertly undressed as she gently pulled my jacket down over my shoulders and let it fall to the floor. I'd been at a party that night and was wearing a tight red dress with matching stockings and suspenders underneath. My coat fell to the floor and she took a step back s she could have a good look at me.

Meanwhile, Helen rose from the bed and walked around behind me. With Helen behind me and Sam to my front, I found myself being the filling in a very sexy sandwich, as they both stripped me. Helen hooked her fingers under the straps of my dress and slipped them down over my shoulders, letting my dress fall limply around my ankles. I found myself standing there in just my underwear. I could feel myself getting incredibly turned on and there was a large damp patch forming inside my knickers.

"Mmm," Sam giggled, looking over my shoulders to Helen, "very nice, very nice indeed!"

Helen nodded her head in agreement and the seduction process that I was being so erotically subjected to continued. Helen returned to the bed and lay back, a smile spreading over her face as her fingers moved down to her

plump pussy and she began to rub her moist cunt slowly.

Sam faced me and pulled my body close to her own. I could feel the slim contours of her lithe body rubbing up against mine as she began to kiss me. Her tongue delicately snaked around the inside of my mouth, and I felt her hands running down over my pert boobs and onto my bottom. She held onto the material of my knickers and then pulled them tightly between my bum cheeks and pussy. I heard a gasp from the bed as Helen saw my knickers rubbing against my cunt lips.

I wasn't really sure how I was supposed to respond to the touch of Sam's fingers, so I tried to act as naturally as I possibly could. Following my instincts I soon found my hands straying all over Sam's body — down over her boobs, into the top of her knickers, over her slim shoulders; in fact, anywhere that solicited a nod from her head or a telling moan from her lips.

As my eager hands roamed over Sam's body, her own hands found their way to the top of my knickers and I could feel her lithe fingers probing around inside them. My cunt felt as if it was on fire and I longed for Sam's fingers to satisfy my aching clit. I needn't have worried because as soon as I thought this I felt Sam's fingers rubbing up and down my sopping slit, as she searched out my throbbing clit. I moaned softly as she gyrated one slim finger around my swollen bud, while her other hand dug into the cheeks of my bottom.

"Do you like that?" Sam asked, as her fingers probed deeper inside me.

Did I like it! I was so absorbed in the warm, wet feelings inside my hot cunt that I just nodded my head frantically.

Sam took my evident enjoyment as her cue to proceed further. I felt her fingers slide slowly out of my sticky cunt, and she raised them to her mouth. Her fingers were glistening with the juices from my pussy and she started to lick and suck them dry. Sam offered her fingers to my mouth and as I licked them I tasted my own pussy juices.

Sam pulled me close to her,

our tongues mingling with each other. Her hands ran through my long hair as we kissed, so when I felt another pair of hands undoing my bra, I had a pretty good idea whose they were!

I turned round to see that Helen had now joined Sam to make the seduction process complete. My bra was undone in a matter of seconds, and my heaving breasts fell free as Helen threw it onto the floor with my other clothes.

She began to fondle and caress my tits. This was an amazing experience, being taken over completely by two horny girls, and I became more and more excited at just where my naughty adventure was going.

Helen's hands slid down over my stomach until she came to the waistband of my knickers. She hesitated there for a second — and just as I thought she wasn't going to go any further, she pulled my knickers down to my knees. Then she gently teased apart my pussy lips. At that point Sam stopped kissing me and dropped to her knees, so her face was level with my cunt. With Helen behind me pulling apart my pussy lips, Sam had easy access to my cunt, and she made the most of it!

Without hesitating for a second she pushed her tongue deep inside my pussy. I thought I was going to faint as Sam's slim tongue thrust deeper and deeper into my hot twat. Her fingernails dug deep into my bum cheeks as she licked me fast and furiously.

Pretty soon I felt that familiar feeling which told me I was on my way to an almighty orgasm. I grabbed hold of Sam's head and held on tightly as the warm spasms spread throughout my whole cunt.

Sam knew exactly what she was doing and looked up at me smiling as I stood there, my long blonde hair dishevelled and a huge smile on my face for her to see.

After all the attention that Sam and Helen had lavished on me I desperately wanted to return the compliment, and more than that, I wanted my first taste of another woman's pussy. Looking down at Sam, her face coated with my own pussy juices, I pulled her up from between my legs and kissed her. I gestured to Helen to come around from behind me and grabbed hold of her hand as I led both Sam and Helen to the bed.

"Now, I want both of you to spread your legs," I ordered. They both duly obliged and fell onto their backs with their legs apart. I looked at the two of them spreadeagled and marvelled at my first sight of not one, but two horny girls waiting for me.

In a matter of seconds there were three girls writhing around on a bed built for two. I grabbed hold of Helen's taut thighs and pushing apart her legs I started to furiously lick and suck her delicious pussy. Her cunt was warm and moist and my eager tongue easily slid along her wet slit. As I carried on licking and sucking Helen's cunt, I felt a pair of hands around my own slim waist, pushing my bum up in the air. I looked around at Sam to see that she had positioned herself right under my pussy and before I knew it I was getting my own pussy expertly licked and sucked. I soon realised that this wasn't just going to be one-on-one, but three young women all eager to explore and excite each other's body.

Within minutes the bed was transformed into a flaying mass of limbs, hair and hot bodies as the three of us satisfied each other. I had never believed that the touch of another girl could be so exciting. My little clit was raised and throbbing, and their fingers and lips knew exactly how to excite me. I experienced climax after climax as they teased and nibbled my aching clit with their eager lips and fingers. I couldn't get enough of their beautiful bodies — one minute I'd find myself pulling aside Sam's G-string as I tried to get to her sweet pussy; and the next I'd have Helen's soaking cunt placed directly over my face as I desperately tried to push as much of my eager tongue deep inside her as I could.

The night ended up with the three of us sharing a shower together, before finishing up with yet another frantic sex session! We repeated that horny night a number of times during my stay at the flat and I'll certainly never forget either Sam or Helen! — *Clare, Guildford*

Latin lovers

I first met my boyfriend Franco a year ago when I was working in Italy. I spent six months teaching English at a business school there, and it was great — the only problem was that the lifestyle I was leading was rather expensive for the salary that I was earning. Finally, I got a part-time job at a local restaurant a couple of nights a week.

I soon became aware that Franco, the head chef, really had the hots for me. I'd soon become used to the lusty glances from Italian blokes in the couple of months I had been there, mainly I think, because I look totally un-Italian myself. For a start, I've got very long, strawberry blonde hair, and I'm five feet ten, so I towered above most of the Italian girls. But from the start Franco made it clear to me that he wanted to go much further than just eyeing me up.

I fancied him too, and it wasn't long before we got together, despite the language barrier. One night I'd stepped outside the restaurant for a quick smoke, only to find that Franco was already out there. One thing led to another and he soon had his hands down my panties, his slim fingers expertly stroking my rapidly moistening slit while his tongue reached almost to the back of my throat. It was only when Paolo, the boss, came out that we had to stop, and for the rest of my shift it was all I could do to keep my fingers away from my aching pussy. Every time I caught Franco's eyes my pussy flooded.

Afterwards, Franco and I finished what we'd started in the backyard. I had my back against the wall and my legs spread as wide apart as I could get them. He whipped his cock out and slipped it straight up my soaking slit as

we struggled to keep upright. Because we were standing up it was an incredibly tight fit, and I was screaming with pleasure as he shafted me very thoroughly and shot his hot load inside me. He walked me home afterwards, and I smiled all the way.

After that we fucked on a regular basis, and I soon found out that Franco was pretty kinky. He especially loved me to dress up in all my favourite black lingerie and parade around the bedroom for him, stroking my pussy with my fingers and pulling my nipples out of my bra to fondle as he watched. Finally I'd give in and agree to let him tongue my pussy until I came in his face, and then he'd kiss me so that I could taste my own sticky juices.

After a couple of weeks with him I had no inhibitions; I'd have done anything in bed with him. So when he started dropping hints that Paolo fancied me, and told me that he was going on all the time about how good my legs and boobs were, I soon got the hint — he was trying to fix up a threesome.

By the look on his face Franco could hardly believe his luck when I agreed, and I must confess that far from being nervous about the encounter, I was really relishing the idea of having two men lick my pussy and rub my boobs and spray come all over them.

On the night that Franco had arranged, we went over to Paolo's place for dinner. Paolo was a few years older than Franco, and very much richer — and it showed. When he led us through to his lounge to have pre-dinner drinks, my eyes nearly popped out of my head!

Stretched out on the couch, wearing nothing but a very revealing red lacy teddy, was Paolo's girlfriend Anna. She studied me as she stirred her drink with her finger, licking it off slowly as we all watched, mesmerised.

"She looks really good, Paolo," Anna said, getting up and walking around me, her high heels clicking on the floorboards. "Good enough to eat, in fact. Perhaps we should postpone dinner till later on?"

Then I understood — it was me on the menu! And it was clear that Anna was going to have the first taste of the dish of the day.

Franco and Paolo went over and sat down on the couch, watching as Anna bent down in front of me and pulled down the front zip on my dress. It opened all the way down to my pussy, and, just as Franco liked, I wore only a suspender belt and a pair of sheer black stockings with seams down the back. Anna slid my dress off my shoulders and as I looked down to watch, she pushed her tongue into my fair bush and started to lick the outer folds of my cunt.

At first all I could hear in the room was my own erratic breathing, then as Anna's expert tongue went to work on me, noisily wetting my clit and pussy hole and making me juice up so much that her face was smeared with it. Then she delved deeper, really probing inside my cunt. I could feel her slim tongue probe around inside me as she pushed her tongue as far into my hot twat as she possibly could. I gasped loudly as I felt her tongue rub against my pussy walls. I came then, and my knees started buckling as my thighs clamped tightly around Anna's head, trying to keep her wet tongue firmly inside me. I was so absorbed by the orgasm that was rippling right through my cunt that I almost forgot Franco and Paolo were there, but I could hear them both breathing hard, and I guessed that each was rubbing his cocks through his trousers.

Suddenly Anna broke away from me, and strode over to where Franco was sitting. "Get your cock out," she ordered him, "and wank it over my tits. I want you to come on me."

Franco looked at me for approval and I nodded to him. I couldn't speak, I was so excited. Anna stepped back from him and held her boobs, squeezing them through the red lace. "Go on," she urged him. "I really want your spunk."

She knelt down and Franco unzipped his flies and started to stroke his shaft, pulling his foreskin up and down so that we could all clearly see his helmet bulging. I could hardly wait to see his spunk. Paolo had his cock out now too, and was gently stroking himself, never taking his eyes off his girlfriend and the way she was kneeling waiting to receive Franco's load.

Franco started to rub his own balls and then moved his hand up and down his swollen shaft, steadily building up a rythmn and I knew it wouldn't be long before he spunk would be flowing. Just then he groaned and several streams of white spunk flew out of his cock and hit Anna between her boobs and on her nipples. I almost stopped breathing as I watched her rub the sticky come into her skin and the lace slowly and sensuously.

Paolo was driven over the edge by that. The next minute he'd elbowed Franco out of the way and pushed his own cock between Anna's red painted lips. Her cheeks bulged as she sucked on his fat helmet — and that was too much for Franco to take.

Swiftly he bent me over the coffee table so that the cheeks of my bum revealed the open, swollen, pink folds of my pussy. His cock was still hard from Anna as he thrust up into me, grasping my bum to keep me steady as he pulled my hips back, impaling me on his tool. I felt wonderful, really filled and stuffed with Franco's hot cock. I was so wet from Anna's licking that he had to grab ny hips to stop himself from slipping out.

Then he reached around and played with my clitty while he fucked me, varying his strokes so that they were sometimes hard and then slower, moving from side to side as my cunt walls hugged him in. I came again and again, and I knew he could carry on for ages as he wouldn't be shooting another load for a while.

Paolo cried out then and I

guessed he must have come. I didn't take much more notice — until Anna came and knelt on the other side of the coffee table in front of me. She was rubbing Paolo's come into her cleavage and neck, making slow, lazy circles on her skin, her nipples standing right out.

"Why don't you see what Paolo's come tastes like?" she asked me.

Pulling my head forward, she pressed my nose into her cleavage and I could smell Paolo's warm spunk on her. I reached out my tongue and started licking her, starting at the neck and working down between her boobs, my tongue tickling on smooth skin and then the red lace. Anna leaned her head back and spoke in an uneven voice.

"Paolo — it's your turn to fuck Helen now. And Franco, I want your cock in my mouth." I was quite surprised when Franco withdrew and did as she asked, but the next minute his cock was replaced by Paolo's longer, fatter one, and he began fucking me at a fast and furious pace. It was electrifying; my clit felt as if it was going to explode.

I was tempted to close my eyes and lose my head completely, but I was dying to see what Franco would do to Anna. I couldn't believe my eyes as he rubbed his sticky cock over her shoulders, her fingers gripping the shaft as she did so. Then he walked behind her, pulled up her hips so that she was on all fours and pushed his hard cock into her wet cunt. I could hear the squelching noise as her cunt muscles gripped his cock.

"Get in time!" Anna ordered Franco and Paolo, and they matched each other thrust for thrust, making both Anna and I gasp and moan with pleasure. I never thought I could come time after time like that. Then Anna reached across and started kissing me fully as we were being fucked, her tongue tasting of come and my own juices mixed. I'd never felt anything like the orgasm that erupted inside me then, and to my surprise Paolo managed to come inside me, his hot load dribbling out between my thighs as he withdrew. I don't know whether Franco managed to come again, but Anna certainly did, and very noisily too. Only I seemed to have energy for more. As I watched the three bodies writhing and collapsing in front of me, my fingers crept down to my spunk soaked pussy and my sticky clit. I rubbed and stroked my love lips furiously, while Anna reached up and kneaded my boobs together.

The combined friction of my fingers on my clit and Ann's warm hands on my boobs was almost too much again. Little orgasms pulsed right through my pussy walls, and the sight of me standing there with my head back, moaning loudly started to have an effect on Paulo and Franco.

"Lie on the floor," Anna told me, and as I did so, she started to kiss and suck my hard nipples, her licking almost pushing me over the edge as her wet tongue circled around my swollen nipples.

Franco then pushed my hand away from my clit and pressed his hard tongue in its place. He started to gently lick around the entrance to my love hole, teasing me with every deft flick of his wet tongue, before pulling apart my cunt lips with his fingers and plunging his wet tongue deep inside my hot cunt. He licked me firmly, and my pussy mound writhed against his face. I held tightly onto Franco's head as I felt myself approaching an almighty orgasm.

After that session we had many more foursomes, and we even went as far as filming one which Franco and I have watched over and over since we moved over to England. — *Helen, Cambridgeshire* ♣

ESV INTERNATIONAL CORPORATION
2A PERCY ROAD, LEYTONSTONE, LONDON E11 1SJ

Hello My Friends

Yes, that's right, I am Guilty on all seven counts of giving **value for money** to my customers. Now I have moved into the UK from Denmark and have brought huge stocks of explicit sex videos with me. Don't confuse these explicit hard-sex action videos with the usual British rip-off rubbish. Let me assure you that these videos contain only genuine explicit hard-sex action which can no way be mistaken for your English videos. Because of old fashioned Britain's Censorship Laws and my explicit titles, I prefer you to order each video by its code number. I am sure you will be happier with full action content rather than an impressive title! So my friends (and we will remain friends when you see my quality and explicit action films) just make your choice and buy with confidence. Please check the bulk offers, as I can give a huge discount on two or more videos —the more you buy, the cheaper I can sell to you. Hoping we have much business in the future.

casey

If any of you have been lucky enough to see films like *Madame X*, *Sexual Intent* or *Wild Goose Chase,* then you should recognise the face and body of 22-year-old Casey Williams. If you haven't seen these sexy flicks, then you're definitely missing out!

Casey's the lady who's gained herself a mean reputation as the fastest, and best,

---

Photographs by Scott Evans

cocksucker in her home town of Hollywood in the U S of A!

"I guess it's become something of a trademark for me," enthused Casey. "I'd got it down to a fine art long before I started making adult movies, but sucking a guy's prick in front of an assembled audience on

a movie set is a different thing altogether.

"It's just a matter of practice, you can't rush something like sucking a cock — you've got to take it real slow — and, pardon the pun, everything will come naturally!"♣

"Aren't you the girl in Pretty in Pink *and* The Breakfast Club*?" It's a question Beatrice gets asked all the time because of her remarkable*

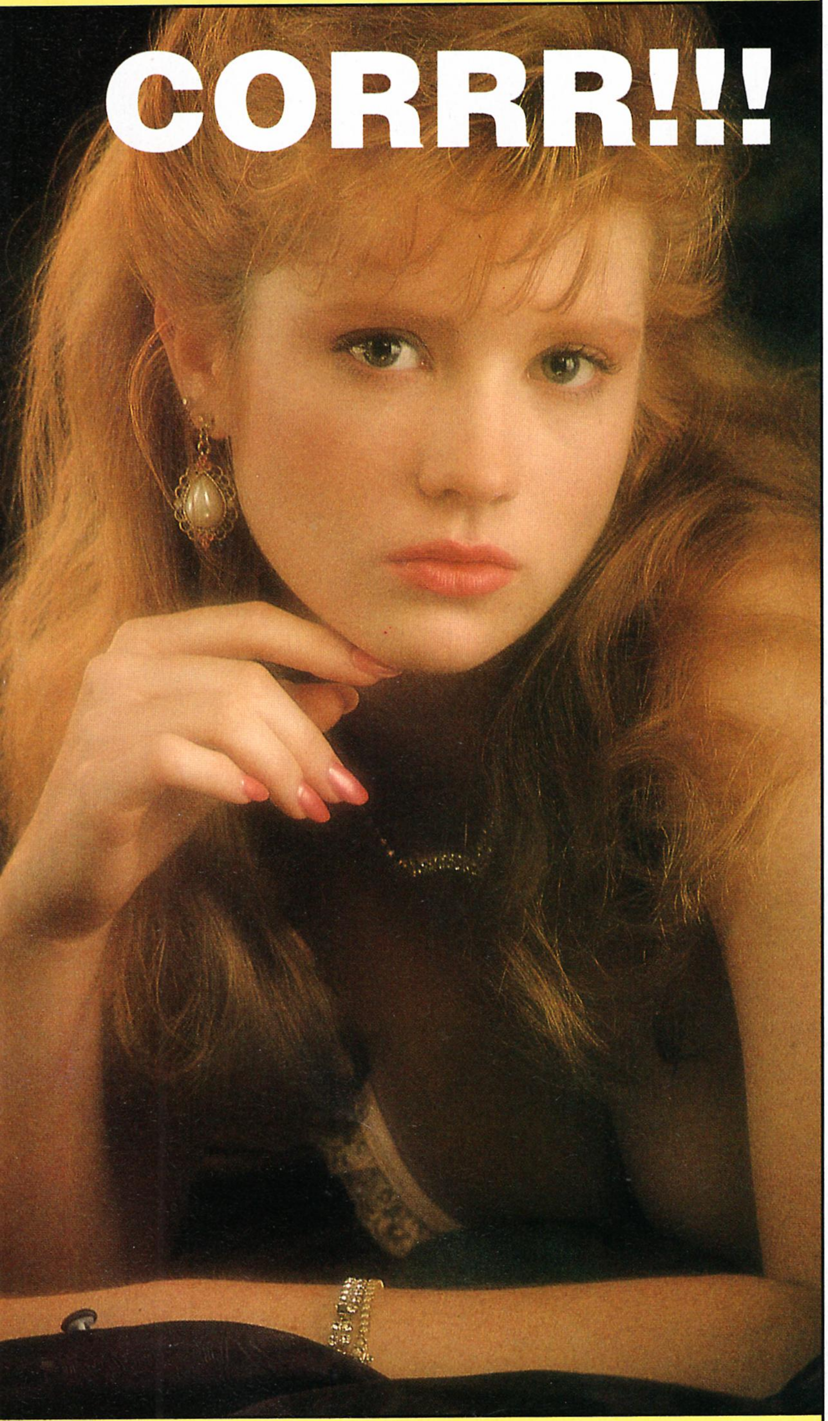
Photographs by Denys DeFrancesco

similarity to sensuous star, Molly Ringwald. The answer's, "No," but she has oozed sexuality into the German edition of Esquire, and now threatens to make the average Club reader's trousers explode.

The stunning 23-year-old Hungarian is simply the hottest thing to come out of the new freedom in the Eastern Bloc with the possible exception of a Travant radiator. Could she be the Red answer to Miss Ringwald? She certainly looks as pretty in the pink. ♣

COMING IN club

CORRR!!!



Normally, we fill this bit with lots of stupid copy and made-up words in a vain attempt to be humorous and witty. This month we're not going to bother, because we're so stunned by Lucy here. She's in next month's ish, centrefold actually, and she's stunning. Fab. Groin-wrenchingly wonderful. Crunchingly, boobulously, mega-intensely fanciable. Ooops. ♣

IN·THE·BAG

continued from page 43

from the television, but all was very quiet.

"Hello, only me," I shouted loudly. "Are you in, Fiona?"

I got no reply so I went upstairs to the bedroom. Spread out on the bed, holding the copy of Club was Fiona.

Getting up, she pulled me close to her and started kissing me. Her hands started to undo the buttons on my shirt and I thought my cock was going to explode as Fiona took over. We fell onto the bed, and as I struggled out of my trousers and boxers, I felt my naked skin against the silk of her underwear. Fiona kissed her way down to my cock.

She paused for a second to lick around my balls then she grabbed my cock and greedily clamped her lips around it. She slowly licked around my helmet, while at the same time caressing my spunk heavy balls with loving care.

As Fiona lay there sucking and licking my rod I grabbed her bum and pulled her within easy reach of my hands, then I slowly worked a finger into her moist pussy.

"Geoff," she cried, "fuck me!"

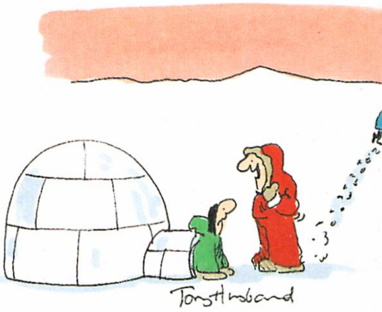
I couldn't believe that my wife who had seemed to be completely off sex was now this fuck hungry women commanding me to shag her — but I was the last one complaining!

I pulled Fiona up from between my legs and kissed her again before turning her over on the bed and entering her from behind. Fiona gasped as I gently pushed my swollen dick inside her rosy cunt lips, delicately teasing her pussy lips as I grabbed her firm buttocks, then started pumping hard inside her cock-hungry cunt.

Fiona was gasping as I pushed into her as fast as I possibly could. As I thrusted in I was eagerly grabbing her tits, kneading and pulling on them, until Fiona was almost screaming the house down.

We couldn't possibly keep up that pace and only a matter of minutes later we both collapsed exhausted on the floor beside the bed.

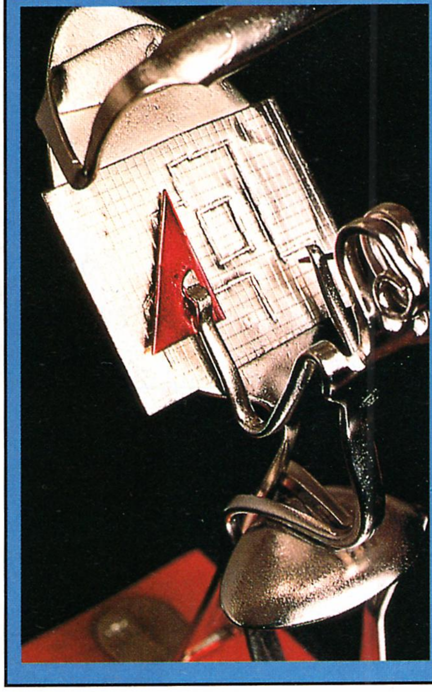
Our sex life has perked up no end since that day, and all after Fiona came across my copy of Club! — *Geoff, Leyton Orient* ♣



That was Noel Smidgley, the most unsuccessful lawn mower salesman in the world

MEET THE STAFF

Yes, it's the bit you buy the mag for! This month, we meet Art Director ***Ian Midson***...



"Don't you worry, boss — I know what I'm doing!" says plucky Ian Midson with a cheery grin. Indeed, Ian is so easy-going, friendly and chatty that many people do not realise that the Leonardo of the art room was — tragically — born a fork.

"It's not something I find easy to talk about," says Ian when the subject is raised, his manner suddenly changing from sunny to dark. "I didn't have a happy childhood. They called me Spiny, things like that. And when I left school — well, you know what it's like trying to get a job when you're a fork. There's a lot of discrimination.

"But the moment I entered the palatial Club HQ my life changed. Here, people just accept you for what you are. Now I'm happy designing the Club pages. My only real complaint is that the Ed keeps giving me pictures of girls! What's wrong with a nice curvy dinner service, or a close-up of a gaping, steamy Hotpoint dishwasher?"♣

FINAL SCORE

*Club's in-house know-it-all and all round smartarse, **Vinnie Sprockett**, tells us 20 lovers' white lies — and the real truth behind them...*

1. I won't come in your mouth.
I'll come down your throat instead.

2. I won't come in anyone else's mouth.
But I may well wine them, dine them and fuck them.

3. I do love you.
I do love *it*.

4. I had a quick half after work.
And five very slow pints.

5. I don't mind your cellulite.
It's your fat arse that I can't stand.

6. I reckon that personality is far more important than looks.
Let's face it, that's all you've got going for you.

7. I do not fancy your best friend.
Not as much as I fancy your sister.

8. You're the best shag I've ever had.
You are the best shag I've ever had — this week, anyhow.

9. I don't want you just for sex.
You're a pretty good cook as well, actually.

10. I think of you when I'm having a wank.
I think of anyone *but* you when I'm having a wank.

11. Of course I don't mind paying for the meal and the taxi home.
Just as long as I get a right good fuck out of it at the end of the night.

12. I'd still go out with you if you had no tits and were completely bald.
Well, until something better came along.

13. I'd prefer to stay in with you than go out with my mates.
After all, it's much cheaper.

14. Honestly, you don't need to wear make -up.
You could do with a bloody face-lift though.

15. I wasn't ogling.
I was leering. There is a difference *actually*.

16. Julia Roberts has nothing on you.
I wouldn't mind having something on Julia Roberts.

17. I really missed you.
I got bored with wanking while you were away.

18. I could never leave you.
After all you still owe me half the mortgage, and who'd do my cooking and cleaning?

19. Mmm, you look absolutely terrific this evening.
You look absolutely *horrific*, but I'm feeling as randy as a ferret tonight, so let's cut the crap and get down to *it*. ♣

20. You drive me crazy with desire.
You drive me mental with your sodding moaning. ♣
